Logan,

Well!! I can't believe this year - our Senior year - has flown by so quickly!! It's really been a good year for both of us. It was funny when Mr. Suber fussed at us for not reading our English!!

I have enjoyed **EDWARD L. REED** watching you play football and basketball. You are a great ~~athlete~~ athlete so keep up the good **AND ASSOCIATES** work!! I wish

you the best of luck next year at the Citadel. You can come over to college of Charleston and help me with my homework because I'll probably be **130 Waring St.** lost!! Stay sweet and may God richly bless you. **534-3812**

Love ya,

- Lou Ann Haigler
