

### **EULALIE GUESS**

Glee Club '28; Biology Club '29; History '29.

Tall and slender—that's Eulalie. She is one of our most popular seniors. She is one of the few seniors who finds time to study some but don't think Eulalie is a book worm because she knows when to leave study off for play.

### **ELIZA SLOMAN**

Glee Club '28; Kodak Club '28; History Club '29; Dramatic Club '29.

"Liza" usually found with "that certain party," is the bright and gay spot in the school. Her sunny disposition completely overshadows her hot—temper. We know she will always succeed in making friends wherever she goes.

### **JAMES HIERS**

Senior Play; Block W. Club '28-'29. Chem Craft Club '29; Puzzle Club '29; Glee Club '29; Football Team '28-'29; Senior Class Basketball '29.

By his personality and sunny ways "D" has won a host of friends. James has a marvelous knack of impersonating import and character of the school. We can't express how much we have enjoyed the "Babe Ruth's" that he has furnished.

### **WILLIE MAE HUDSON**

Commercial Club '28-'29.

Willie Mae is so quiet and modest that one wouldn't know how much she means to the success of our class until she is absent and we begin to see the difference. She is a good school citizen—what more can be said?

### **EULA LEE HUDSON**

Vice President of Commercial Club '28-'29; Bookkeeping Club '29.

Eula Lee is the pleasant sort of girl that we appreciate all the time. We never see her without that cherry smile. She is quiet and reserved; but always enjoys a good joke to the fullest extent.

### **HELEN JACOBS**

Wildcat Staff '28; Secretary of Wildcat Club '29; History Club '29; Dramatic Club '29; Secretary of Music Club '28; Representative in Music Contest '29; English Contest '29; Glee Club '29; Senior Play.

Although Helen appears to be very quiet and sedate, she often breaks loose into one of her giggles which lasts for quite a while. Helen is the kind of a girl every school needs because she is always cheerfully willing to help others in time of need.

### **EDITH LINDER**

Fancy Work Club '28; Basketry Club '28 Treasurer; History Club '29; Miscellaneous Club '29, Reporter.

Edith is the domestic type. She shines in Home Ec. and we expect her to make a happy home for somebody one day.

### **GLADYS LINDER**

Fancy Work Club '29; History Club '29.

Gladys is new to us and yet, we can't see how the class of '29 got on without her the three years before she came to W. H. S. She is the kind of girl people say of: "Oh, isn't she sweet!" But don't forget this sweet little girl has a will all her own!
