

BASKETBALL

The Wildcats' hard-working basketball team of '28-'29 has made a good showing. It went to the district finals, and lost only two other games, winning six.

The first-string-team was composed of the following: Forwards, Herbert Towles and Carl Still; center, Austin Sauls; and guards, Towles, Fred, and Adolph Walters. Herbert Towles, the captain, has done very good work. He is fast, dribbles well, and shoots excellently. Still, the other forward, has also played fine. "Lanky" Sauls at center has aided the team immensely on account of his height. Towles, F., has starred at his position of running guard. Water at standing guard has guarded his goal with much care.

The substitutes who have played in a few of the games are: Derrick, Blocker, Ackerman and Thompson.

The Wildcats have played a total of ten games, winning seven and losing three for a percentage of .700.

The tournament games were as follows: The Wildcats lost to Meggetts, 42 to 15, and defeated them, 10 to 12. The Wildcats defeated St. George High twice, once by the score of 41 to 17, and the St. George All-Stars once. They broke even in a two-headed series with Hampton, defeating them at home 33 to 8. In the final game the Wildcats defeated the Cathedral High School team of Charleston 27 to 13. In the tournament the Wildcats won their first game from Berkeley High School, 48 to 13. In the finals, however, they lost to the strong Meggetts team, 42 to 12.

The basketball team of '29 has a record to be proud of.
