# Senior History

The history began one September day in 1932 when forty-three timid boys and girls, clinging to their mothers' arms, entered the first grade to begin the long educational journey, which is climaxed this May.

Of the twenty-one boys and thirty-nine girls now in our class, there are only three boys and ten girls who started the first grade in the Walterboro Elementary School.

In 1938 we received our promotion certificates to Junior High. In the exercise Mary Mitchell Sanders received the citizenship award.

As we entered Junior High School, we were joined by many newcomers, until our class roll at one time increased to one-hundred and twenty-five members in the eighth grade.

During our Junior High School, we were engaged in many interesting activities and events. We have tried to carry out the customs and traditions of our High School and feel that we have made a very definite contribution to the life and welfare of the school. We have been particularly active in athletics. The following seniors were on the football team:

J. M. Bishop  
Richard Brown  
Joe Dodd  
Ralph Nettles

Fletcher Riddle  
Henry Salter  
Wightman Smoak  
Tiller Strickland

The following seniors were members of basketball teams:

## GIRLS

Elizabeth Cummings  
Harriet Fripp  
Ruth Jaillette

Mary Mitchell Sanders  
Connie Witsell

## BOYS

Fletcher Riddle  
Henry Salter

Wightman Smoak  
Tiller Strickland

We feel that we have done well in our school publications. The WILDCAT staff issued ten publications.

Wightman Smoak is editor of our annual, THE LAIR, and Mary Mitchell Sanders is editor of our school paper, THE WILDCAT.

# OUR PART ON THE HOME FRONT

"SCRAP DRIVE" This year in our high school we have been doing things to help bring Victory sooner. Our President urged the people to help collect scrap. Drives were put on in all of the schools. Our high school collected 100,000 lbs. of scrap metal and rubber.

"WAR BONDS AND STAMPS" In the lobby of the school every day at recess, the National Honor Society sells War Bonds and Stamps. A goal has been set--to sell enough War Bonds and Stamps by the end of the school year to buy a Jeep. This Jeep will cost \$900.

"VICTORY CORPS" The 9th, 10th, and 11th grade pupils are eligible for membership in the Victory Corps. This organization has five divisions: Land, Air, Sea, Community, and Production. Each has different qualifications, but they all require Physical Education which is taught by Miss Tanner and Coach Martin. An obstacle course is used, calisthenics and team sports are stressed. Many are enrolled in this course.

Other courses which help the pupils for these divisions are: Shop, Agriculture, Co-op, a class in Retail Salesmanship, Home Economics, Home Nursing, Electricity, Mathematics, and the Commercial subjects.

About 75 per cent of our pupils are doing voluntary work, such as being employed in some store, planting Victory Gardens, spotting planes, and rolling bandages.

"RED CROSS" We realize that the Red Cross is one of the largest and most necessary organizations in our "All out for Victory Program",

To this organization, our school has contributed the following amounts: Soldier Kits, \$69.07; The enrollment of the Junior Red Cross Membership, \$31.04; Red Cross contributions, \$97.52; and to several other individual organizations.
