Foreword

20-100-010

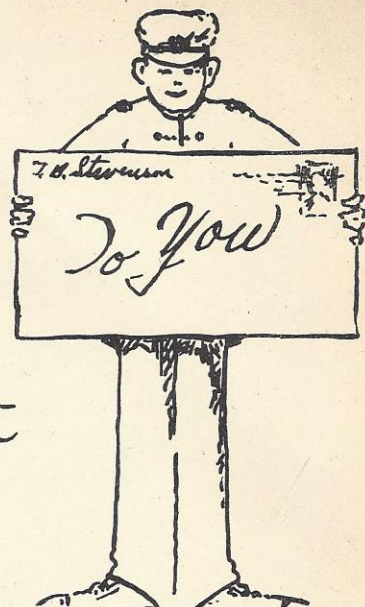

MR. MARION FENDER

We, the members of the Lair Staff, dedicate this annual to you, Mr. Fender, for your untiring service, your loyal support, and your sincere interest in each student. During your "reign" as custodian of Walterboro High School for nine years, you have made many friends who will always remember your unlimited devotion to their Alma Mater.

A MESSAGE

from Our Superintendent

TO THE CLASS OF 1944:

The completion of your high school career means that you have passed one of the great milestones of your life. May I offer you my sincere congratulations on your accomplishments. You have spent many pleasant and profitable hours here in your high school, and I trust that the memory of your experiences will always be an abiding one.

With all great honors come great responsibilities. Upon you now fall the responsibility of carrying on. Your state and country have great need of your physical and mental powers in the present world conflict and crisis and in the peace which we are all looking forward to. I feel that you will not shirk these responsibilities. Surely, the training and experience which you have had during your high school days will have fitted you to take your place in the world today and enable you to acquit yourselves nobly and honorably.

To you we pass the torch. Hold it high and carry it ever forward.

CLASS PROPHECY

MARION MARTIN has just invented a famous dive bomber. He is being hailed as the "Miracle of the Age"!

LANE NELSON is now receiving bouquets for his wonderful work as camera-man for M. G. M.

The last beat of the war drum has just been sounded by none other than Richard Price. All hail the Armistice!!

Flash! BETTY PADGETT has just been crowned "Miss America", and all America is in hopes that she may now "hook" her man.

CAROLYN SMITH is playing with "The Grand Ole' Opera", and from what we hear, may soon be a star in the movies.

VERNON BEACH, the new "Swooner-crooner" of the hit parade, for a new world's record, has just floored eighty-seven of the "bobbie-socks" brigade!!!

Professors BILLY and STAR BENNETT have just returned from darkest Africa with a new specie of bedbug.

NED BERRY, in his new rocket-ship has completed a successful power dive at the rate of twenty-seven miles per hour.

And guess who is now star for the Chicago Bears basketball team! None other than our own KITTY PADGETT!!!

Dare devil JEEP KINARD has just won the National Soap Box Derby.

EDWIN HIOTT has been awarded a special "Oscar" for his outstanding photography in the picture, "Gone With the Breeze".

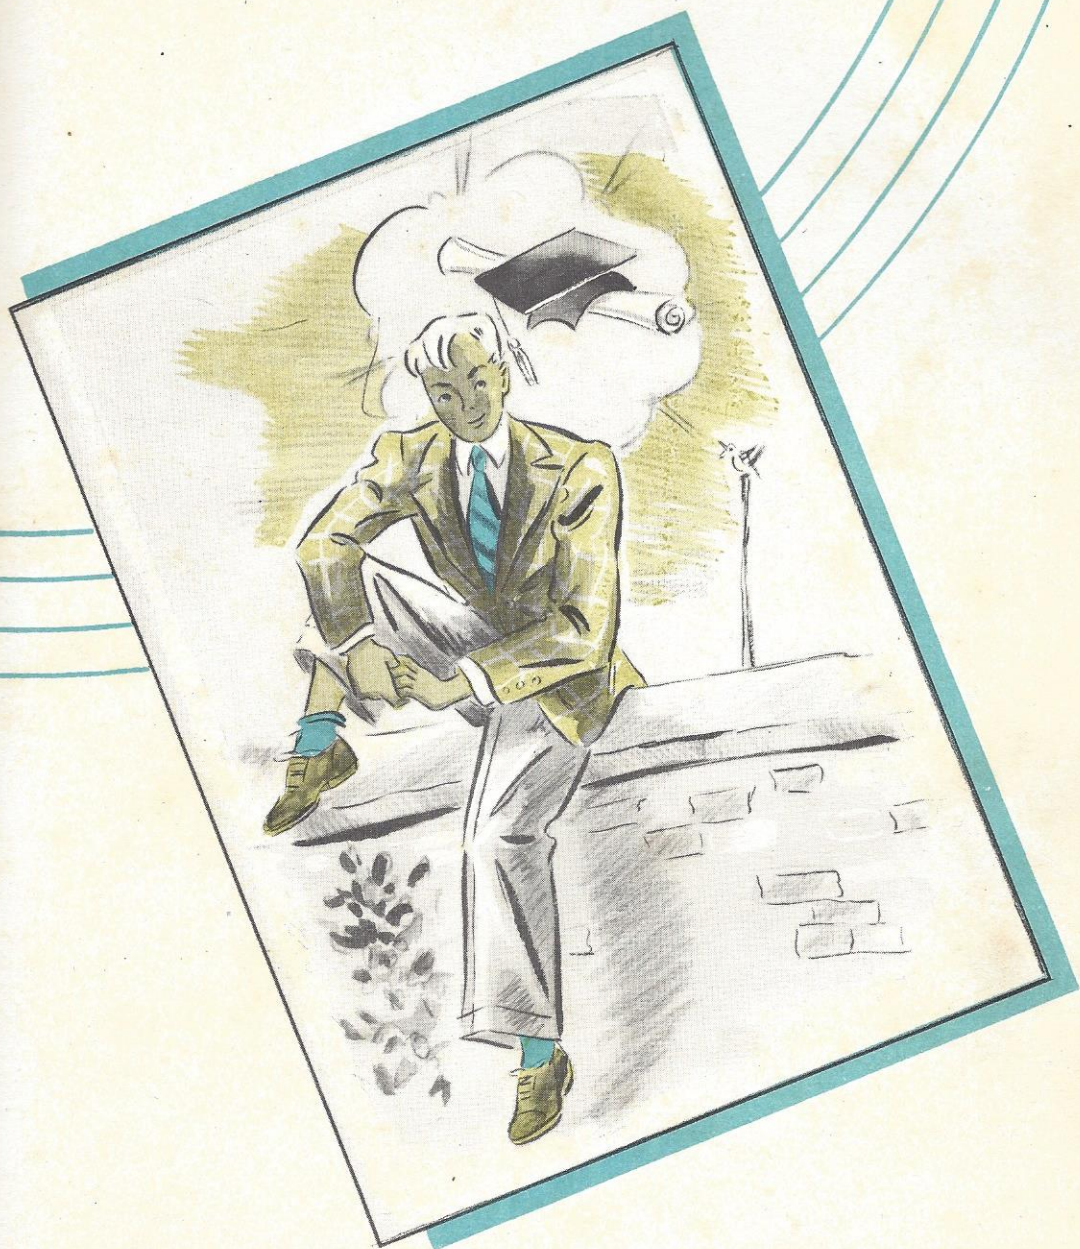

Assistant-associate Editor, BETTYLINE POPE, is now helping WALTER WITCHAZEL "dig up dirt"!!

And did you happen to see BETTY MARVIN'S race-horse, "Pokealong" wearing a horseshoe of roses at Churchill Downs?

W. J. HUGHES and ELLSWORTH LINDER are co-starring in the Paramount Picture, "Journey With A Donkey". You guess which is which!

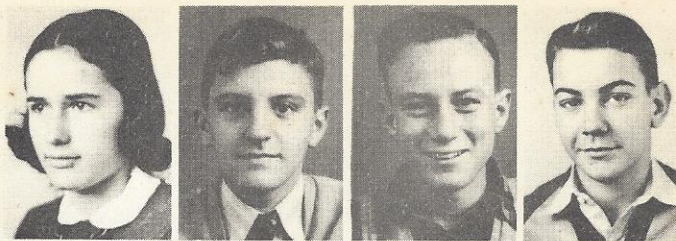

This is an article which will be of interest to all of JOHN DODD'S many friends: he has been rescued for the seventeenth time from the Round O swamps.

And to end a good thing, we have just received notice that HELEN FRASER is the new concert pianist for the Philadelphia Symphony Orchestra
