DEDICATION

We, the Senior Class of 1945,
wish to dedicate this volume of
the Lair to the Memory of Lt. J. J.
Whitney, who so nobly gave his life
on Guam, August 3, 1944, that
others might have life and have it
more abundantly.

Senior Class History

As we look back over our eleven happy years, it seems like only yesterday that we were:

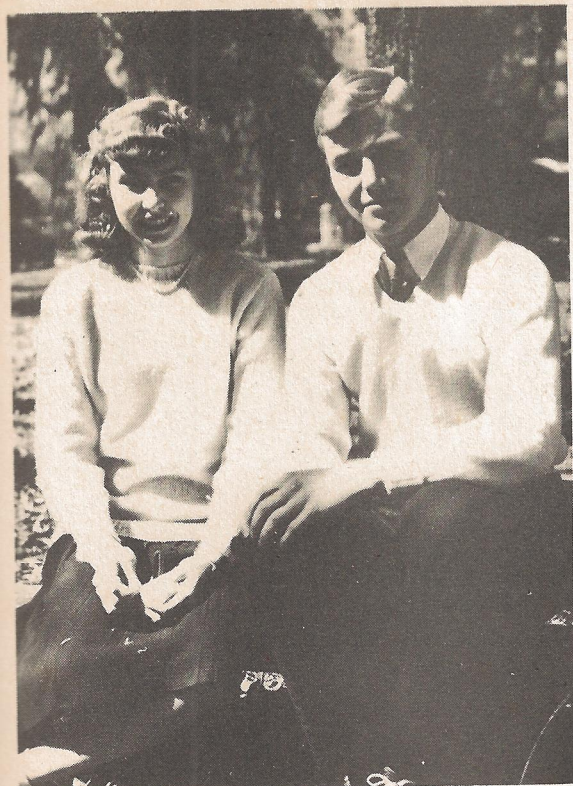

First Graders in lovable Miss Evelyn Shirer's room.
Counting handkerchiefs, and walking the iron rail in Miss Margaret Chamber's room.
Writing and drawing in Miss Belle Sander's class.
Characters in operettas --- "Snow White", "Queen of Hearts", "Honey Bee", "Blue Belt", and "Toyland".
Going on a Girl Scout excursion to Summerville.
Delegates of the Safety Council sight-seeing in Washington, D. C.
Singing in Mr. Greer's Glee Club.
Bidding Betty Ann Blount farewell at her party at the Scout Hut.
Having 3 principals in one year --- Mr. Buice, Mr. Rentz, and Mr. Edwards.
Tripping the light fantastic at the Glee Club Dance.
Being initiated into the Hi-Y. (ugh!!)
Planning for our Junior-Senior "Club '44".
Getting fun but no fishes at Price's Bridge.
Representatives of the Hi-Y "tripping" to Greenville.
Being epicureans at the Football Banquet.
Seeing the Parade of Silver Barrettes.
Greeting our acquaintances at Curtis' Christmas Party.
Watching the parade of springtime peroxide blondes.
Squinting our eyes at the boy's pastel sweaters and plaid shoestrings.
Lunching at the Senior Table.
Selecting Eugenia Dean --- "Miss Hi Miss".
Slaving on the "Lair".
Polishing up "Shiny Nose" for a smooth performance.
Draping our gowns and arranging our caps.

Carpentry Boys

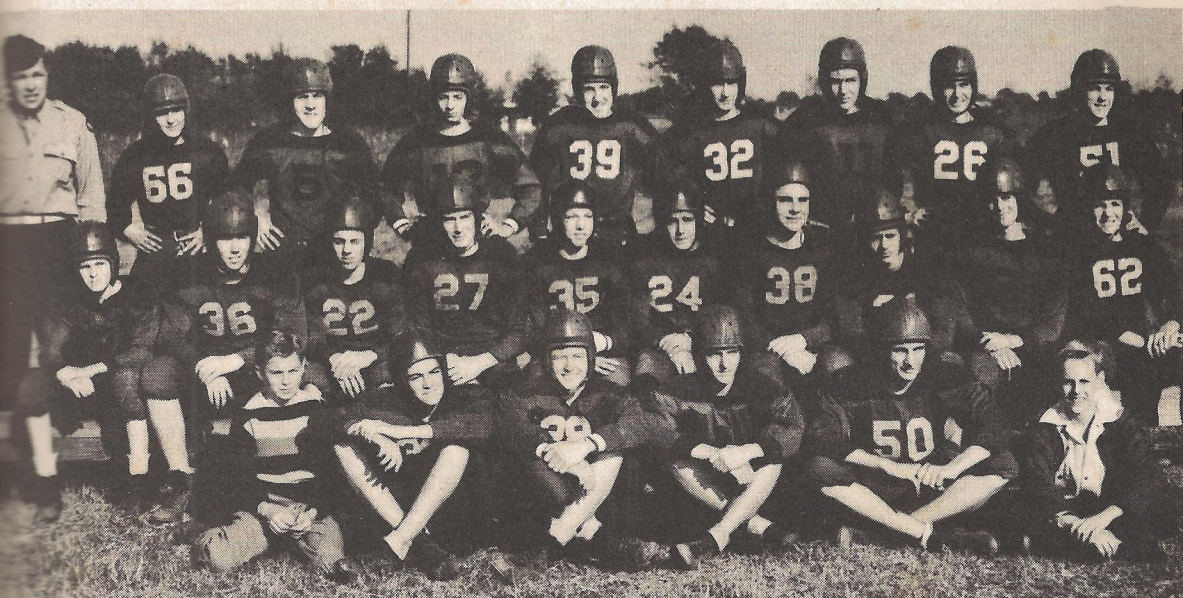

The newest addition to the Walterboro High School is the 42 x 52 fireproof cannery built by the carpentry boys under the supervision of Mr. E. C. Blackwell. Due to the fact that the boys made these cement blocks themselves and furnished the labor, the cost comes to \$1,000; whereas if the blocks had been bought and labor hired, the cost would have been \$2,500. This achievement is one to which the boys can point with pride in the years to come as the community utilizes the cannery.
