THE 1956 LAIR

Walterboro High School
Walterboro, South Carolina

Editor-in-Chief--Marcia Avant
Business Manager--Nina Augustine

David:
In years to come I hope that you will remember best to come, you really deserve the best and I know that you will have it. Hasn't it been fun all these years? I can't hardly believe that they are over. I nearly want to cry when I think that this is my last year of school. I'm going to miss you and all the kids at good ole W.H.S. May nothing but good always happen to you. You are a swell guy and nice boy. Pals 'til Forever always as swell by.
Pat
Eager H.
1956

Dear David,
I sure glad we could be in 8-7 together this year. I hope we will get in some classes together next year. Be sweet.
Pat

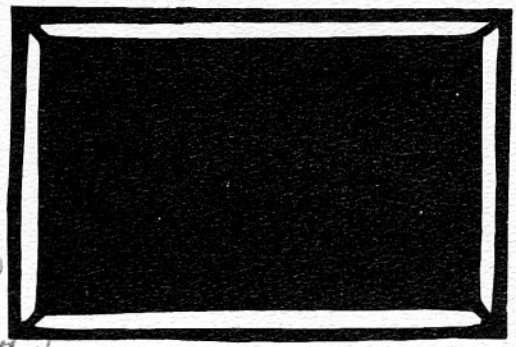

MRS. JANIE GASKIN

Those who have come in contact with her know that she is more than just a teacher. She is a true friend. Her never failing sense of humor and her understanding of the individual have made her dear to our hearts. For her sacrifice of time and energy, for her inspiring zeal for every undertaking, and for her devotion to this senior class, with love we dedicate the 1956 LAIR.

THOSE WHO DIRECT

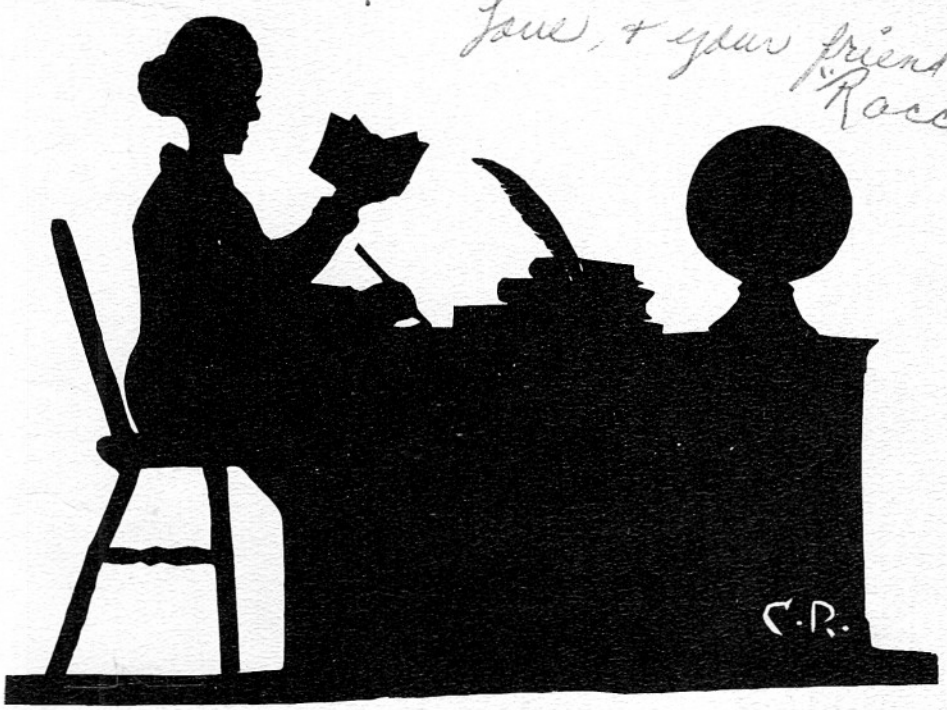

Dear David,
I can't write letters very well but here goes. You are a very sweet + cute boy whom I will never forget. Remember the good times ~~we~~ I & I will & I you had together. Also the fights you helped us in.

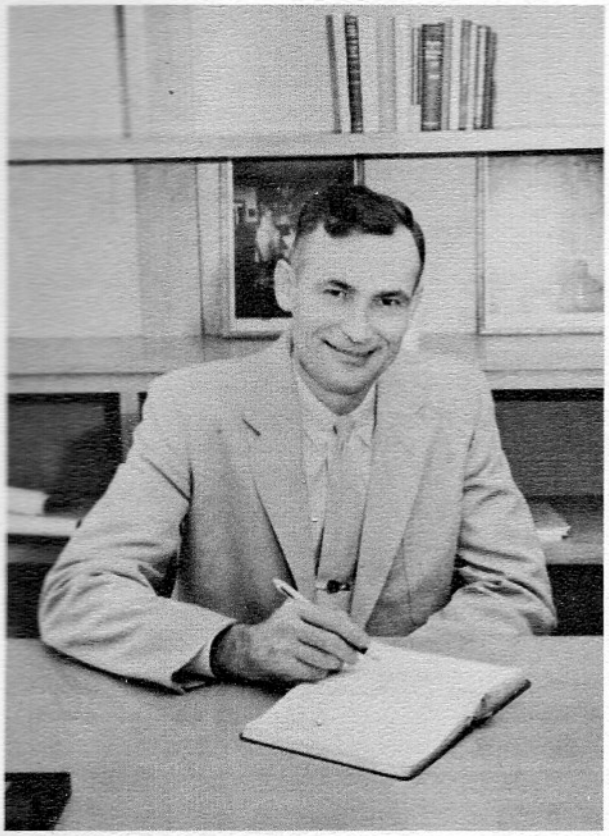

And also the trials + troubles with my boyfriends.

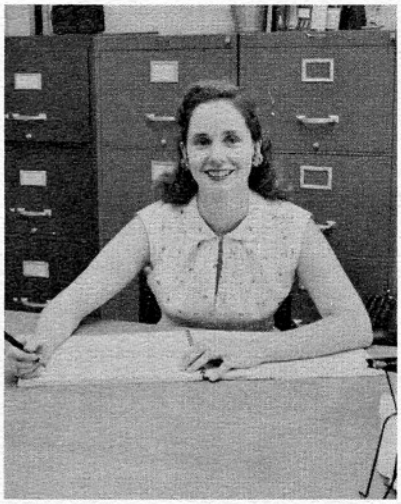

Good luck in the future + watch out for the girls!!

Love, + your friend always,
"Raccoon"

10/4/56

Dearest David,

This year has been one that I will never forget. When I first came to high school I didn't think I would like it, but when I met you I changed my mind completely. I will never feel that way again as long as I go to school with you.

I bet that you had lots of fun in Washington. I missed you so much that words can't describe it. I am looking forward to next year on that band bus.

If you stay as sweet as you are now you will never lose my love. As far as that goes you will never lose it anyway.

I know that you don't have any rats in your house because of that picture I gave you of me. If your mother comes into your room you better hide it because it might scare her away.

If the band ever goes to Washington again maybe we can go to the Washington Monument together; huh?

I love you very much so don't listen to what a certain boy in the tenth grade says. It will not be true, probably.

I'll love you always.

Yours forever,

Ann
