# FOREWORD

## HAPPINESS IS ---

### Happiness Is Learning ---

Happiness is knowing the right answers on a big test...  
watching chemicals react in an experiment... typing  
sixty words a minute without a mistake.

### Happiness Is Competing ---

Happiness is winning the Beaufort football game 7-6...  
lettering in a sport...setting a new track record...  
knowing the players have not been injured.

### Happiness Is Achieving ---

Happiness is making the Honor Roll...getting accepted by the  
college of your choice... being elected a class beauty...  
going to Girls' or Boys' State...working on Senior Workday.

### Happiness Is Having Fun ---

Happiness is attending an exciting football game...  
dancing at the Junior-Senior...talking with your "special  
one" at lunch or between classes...cheering at pep rallies.

Most of all, happiness is being a part of the student body of Walterboro High School  
and participating in its activities. We hope your school year has indeed been a  
happy one.

## ALMA MATER

*Angels, guard our Alma Mater  
From the skies of blue;  
Guard and guide our footsteps ever,  
Firm and strong and true.*

*We will e'er uphold thy standards  
Honor, love, and truth;  
Pledge our hearts, our hands, and voices,  
Loyalty and youth.*

*Chorus:*

*Forward! Ever be our watchword,  
Conquer and prevail;  
Hail to thee, our Alma Mater,  
W. H. S. all hail!*

Your primary purpose for coming to W.H.S. is to study. What you have learned is something nobody can take away from you. After you graduate from high school, you may lose contact with your friends, but you can never lose knowledge.

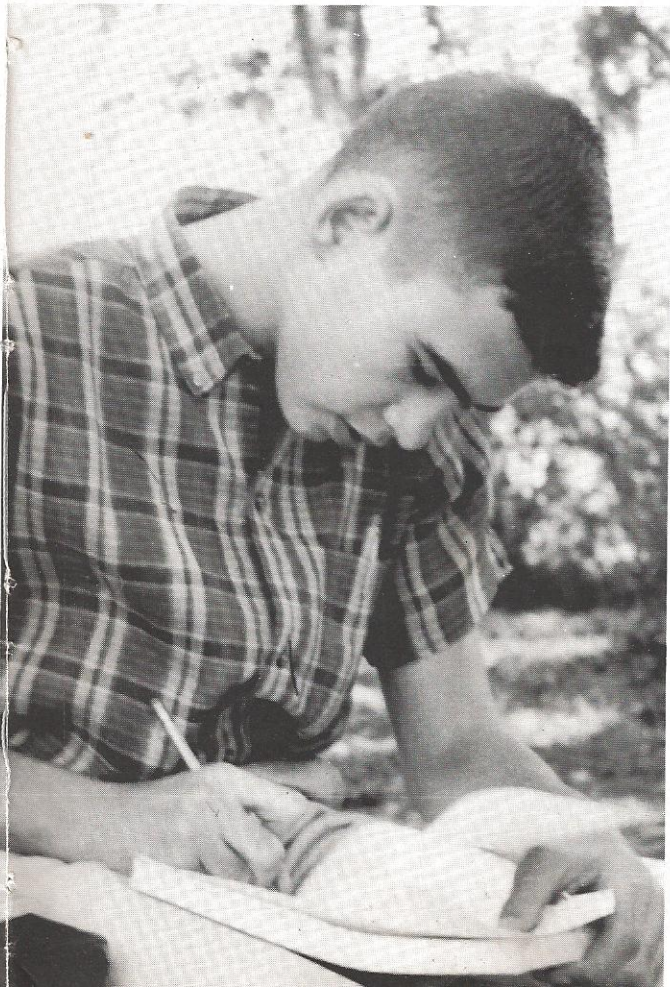

HAPPINESS IS . . .

"Hey! Where are the spark plugs?"

## Learning

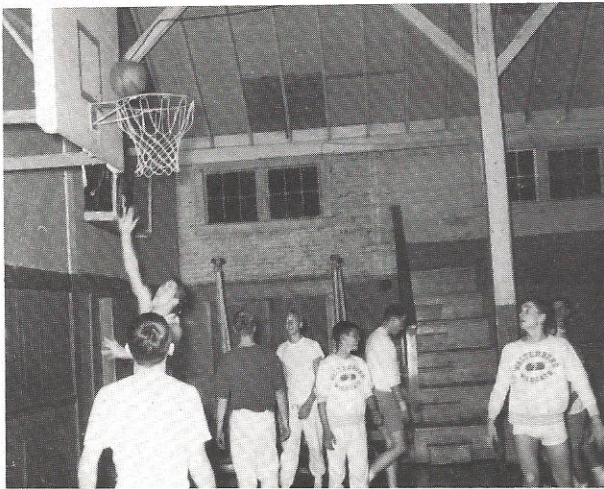

" $H_2 + O_2$  yields  $H_2O$ ???"

"Look! Hilton's designing the Eiffel Tower."

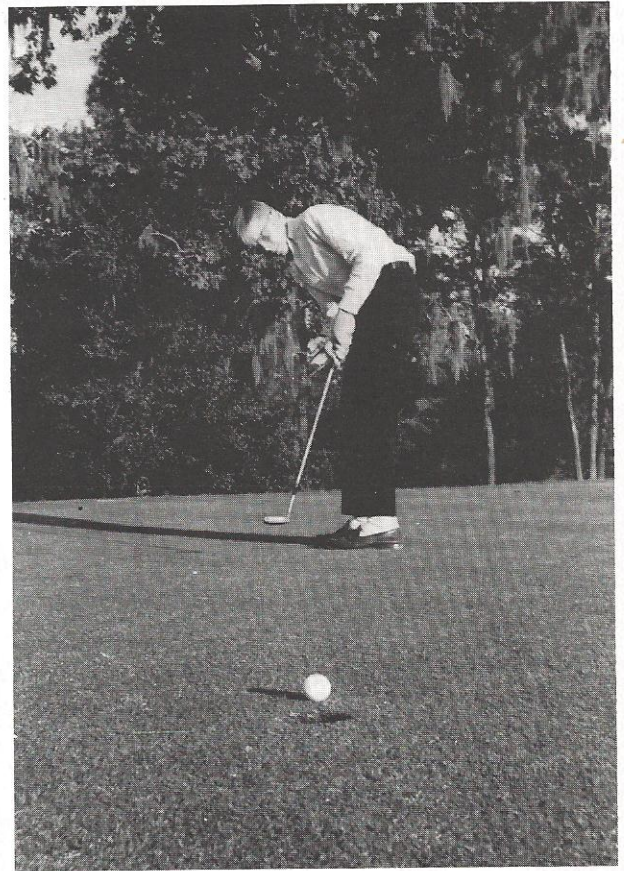

Participating in sports is also important. You learn to get along with different people and to be a part of the team, not just an individual hero. And when the final whistle blows, you feel good knowing you have done your best to help the team, whether we win or lose.

HAPPINESS IS . . .

## Competing

You are recognized for your outstanding qualities of leadership, scholarship, beauty, and personality. Most of these awards you have worked hard for, and you are happy because you know you have really earned them.

HAPPINESS IS . . .

## Achieving

MISS JUNIOR MISS HI MISS  
Lynda Lytchfield

HALLOWEEN KING AND QUEEN  
Patsy Easterlin and Richard Wood

NATIONAL MERIT SEMI-FINALIST  
Nancy Jo Padgett

School is not all studying or participating in sports. Part of it is enjoying yourself and being with your friends. It's learning to get along with other students and your teachers every single day. It's also knowing how to have a good time the right way.

HAPPINESS IS . . .

"Smoke signals for victory. "

## Having Fun

"Have you been using that greasy kid stuff?"

"We're cheering in the rain !!"

# Dedication

*Because they have had faith in us....*

*Because they have always been there to help  
us when we needed them....*

*Because they have given so freely of their time....*

*But most of all, because we love them....*

*We, the Senior Class of Walterboro High School,  
dedicate the 1964 Lair to....*

#### AREA II SCHOOL BOARD

The Area II Board of Trustees meets the second Tuesday night of every month. It is the duty of the board to administer to the needs of the school, to set the policy of the school, to hire teachers, and to make recommendations.

## Social Studies

" . . . and this is a problems class. "

The history department is headed by MRS. NELL SIMMONS. The department offers civics, world history, American history, and American government. Civics and American government explain the working of our system of legislature. World history is the story of mankind's development from his earliest appearance on earth to his life in the twentieth century with special emphasis on the scientific, cultural, and artistic accomplishments of each nation. American history goes into detail about the founding of our country and its growth. This helps the student understand things that are going on in the world around him.

Walterboro High School has an advanced English class in each grade, nine through twelve. At least two years of a foreign language are needed for a pupil to receive an academic diploma.

## Commercial and Vocational

MR. H. E. CONE is the head of the commercial department. The department offers courses in typing, shorthand, bookkeeping, notehand, business math, and distributive education. These subjects prepare the students for immediate employment as well as for further education.

"Revolving the spoon thus, . . ."

The vocational department is divided into three parts: agricultural, headed by MR. S. M. PADGETT; home economics, headed by MRS. FRIEDA BLACK; and trade and industrial, headed by MR. H. E. MINES. The department offers agriculture, home economics, mechanical drawing, shop, wood, auto mechanics, plumbing, and diversified occupations. Students taking these subjects are given actual practice and instruction in each of these subjects.

Mr. J. Mauney

Mrs. Vera Neal

Our school would not be complete without the varied activities of several dynamic personalities: Mrs. Dorothy Mae Buckner, the director of the Walterboro High School Chorus; Mrs. Dolly Dilworth, the study hall teacher; Mrs. Carroll Godwin, the school's librarian; Mrs. Mary Lou Hodges, the guidance counselor for Area II; Mr. Mike Lindley, coach of football, basketball, track, and instructor of physical education; Mr. James Mauney, the band director; Mrs. Vera Neal, girls' physical education instructor; Mrs. Evelyn Reeves, secretary of the Walterboro High School; and Mr. Robert Strock, head coach of football, and baseball, and instructor of driver's education.

## Varied Interests

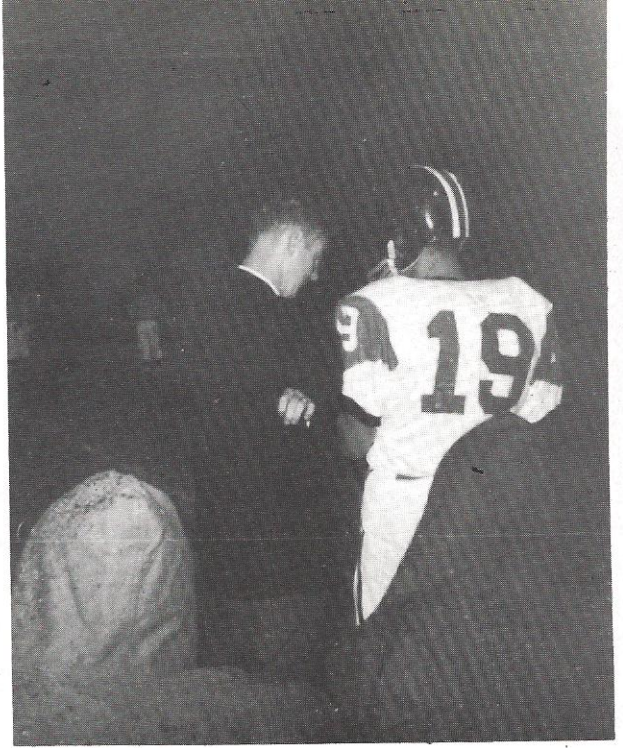

"But, Lucius, we have no comic books today!"

Mrs. Mary Lou Hodges, guidance counselor.

"Ming-c-ing-o-ing. "

## Snapshots

Teaching is not just coming to school from nine o'clock until three o'clock. It involves many other things; sponsoring a club or other, outside activity, patrolling the halls during the ten-minute break and at lunch, coming to P.T.A. meetings and Open House, and making out report cards. Sometimes it is lonely, sometimes it is frustrating, but it is always rewarding.

The 1964 Junior Varsity Football Team upheld the winning tradition at W. H. S. by having a successful season. Coached by coaches Mike Lindley and Wyman Carter, they won six games while losing only two. Judging from the looks of the junior varsity team, our varsity of the future should be very good. NOT PICTURED: Sally Starr, Co-Head Cheerleader.

The Student Body of W. H. S. owes a large debt to our varsity cheerleaders. Thanks to them, the spirit here is at the highest in years. Cheering is more than going to all the football games. That is just the glamorous part. The hard work comes in helping with the Booster Club Drive in August, painting football banners for every game, selling tags at the games, practicing every day for weeks on new cheers, and attending all other sports events - like the basketball games. To Patsy Easterlin and Sally Starr, our head

cheerleader and co-head cheerleader, goes a special thanks for their leadership ability on the football field and backstage. To all the cheerleaders, we salute you on a job well done.

The Junior Varsity cheerleaders did a good job in cheering the J. V. teams and in helping the Varsity cheerleaders. They helped decorate the goalposts for Homecoming and sold the raffle tickets for the cakes at the basketball games.

## TRACK '64

Track is interesting because it is the oldest of sports, has a variety of events, and tests individual skills of strength, speed, and endurance. The events are the shot put, discus throw, pole vault, high jump, high hurdles, 100-yard dash, 880-relay, mile run, 220-yard run, 440-yard relay, 440-yard dash, 880-yard relay, and the medley relay. The 1964 track team, coached by Mr. Mike Lindley, had a good season.

P.S.: It is generally agreed that Thomas Chapman has the most beautiful legs on the track team.

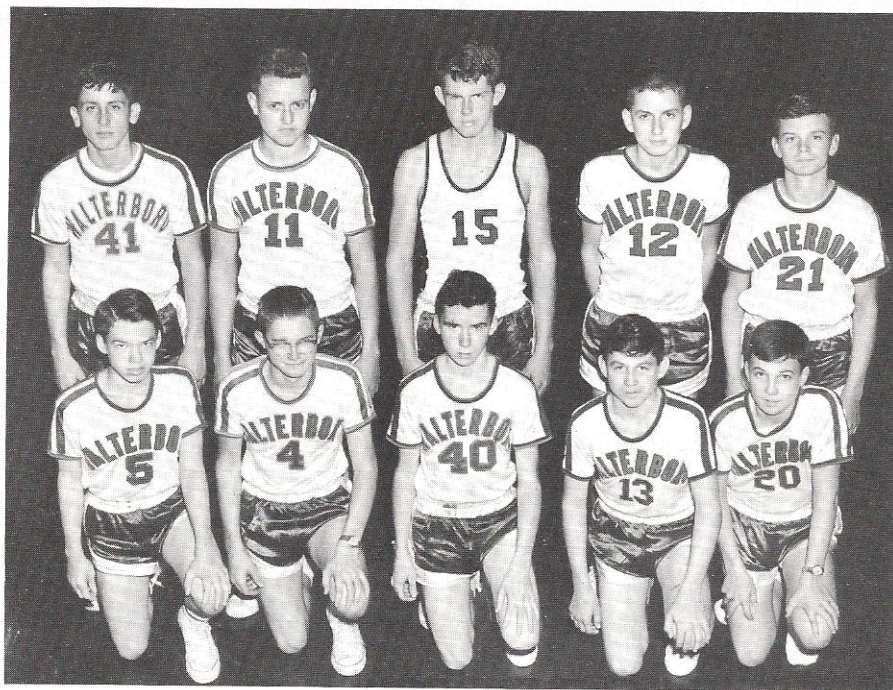

## GOLF TEAM

The W.H.S. Golf team began its season with a clinic by Mr. Bill Christian, manager of the Walterboro Country Club. The team has had matches with neighboring schools at the Walterboro Country Club and on out of town courses. This team has a lot of new talent and should reach its peak in the next two years. With Mr. Christian's help, the team is improving greatly and seems to be more successful than last year's.

FIRST ROW: Herman Dantzler, Ricky Ackerman, Pat McWhirter, Jimmy Parker. SECOND ROW: Bill Dean, David Turner, Burbage Smoak.

FIRST ROW: J. Wylie, H. Kinsey, C. Adams, M. Reed, J. Thomas. SECOND ROW: B. Cave, R. Penfield, B. Cave, B. Ozbolt, B. Ross.

## J. V. BASKETBALL

The 1964 Junior Varsity Basketball Team was coached by Coach Wyman Carter. They played nine games - Beaufort, St. George, Wade Hampton, Bells twice, and Stall.

Despite a lack of experience the team did not look bad and should improve in the future.

## BASEBALL 1964

Gary Crawford, Jimmy White, Bill Phillips, Spikey Simmons, Jimmie Ringer, Kenny Rowe.

This year W. H. S. had a truly phenomenal baseball team. Spikey Simmons pitched and Guerry Crawford caught. Bill Phillips played first base and right outfield simultaneously, while Jimmie Ringer held down the left field and the center field positions at the same time. Jimmy White was the third base man and the shortstop, and Kenny Rowe played second base and coached at first and third.

Seriously, the baseball team had not been organized when this picture was taken and not all members of the team were present for the picture. We feel sure, however, our baseball team had a good season.

# BOYS' BASKETBALL

## 1964

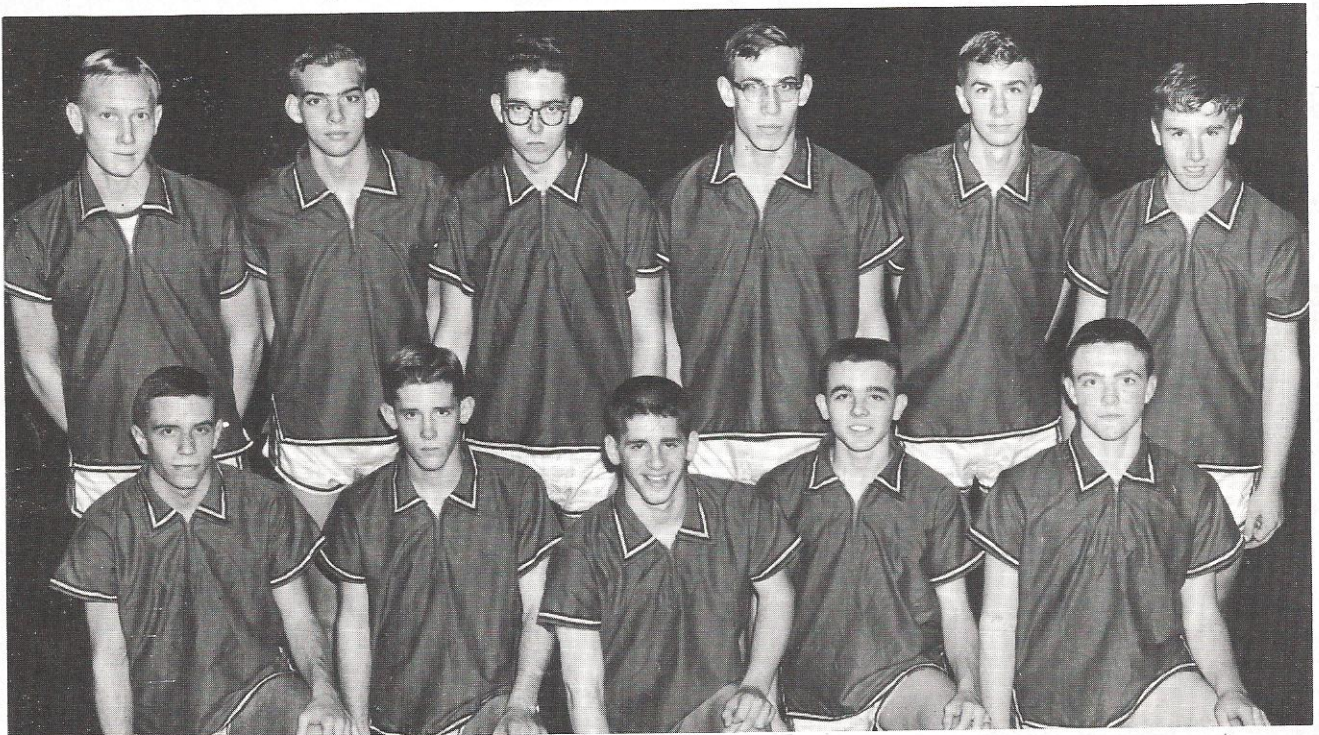

WYMAN CARTER  
Head Coach

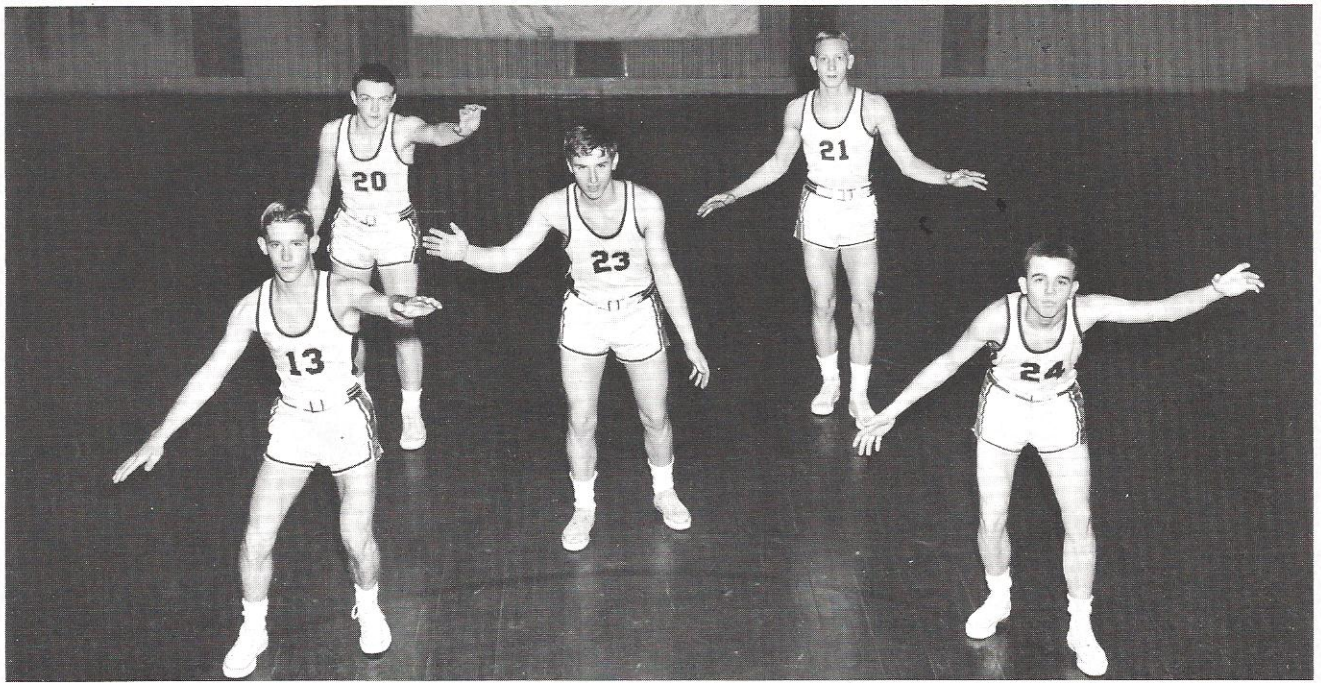

Under the direction of Coach Wyman Carter, the boys' basketball team has improved not only in ability but also in spirit. The record is not so good but a great many of the games lost were very close. A better season is expected next year as all players will be returning and the new gymnasium will be completed.

Further improvements could be made if people, especially students, would show a little more interest in basketball at W. H. S. The crowds turned out better this year than last, but we still have a long way to go in spirit.

FIRST ROW, Left to Right: J. Ringer, T. Chapman, J. Handegan, K. Rowe, E. Bazzle. SECOND ROW: P. Newsome, D. Pierce, H. Shields, B. Trowell, E. Love, D. Haught.

The girls' basketball team, which has been coached by Mr. Mike Lindley for the second year, practices from three until four-thirty every afternoon in the gym. In order to remain on the team, each girl must

attend the games on Tuesday and Friday nights. New warm-up uniforms were bought for the girls this year. Although the girls did not win every game, they show the determination to have a winning team next year.

## National Merit Finalists

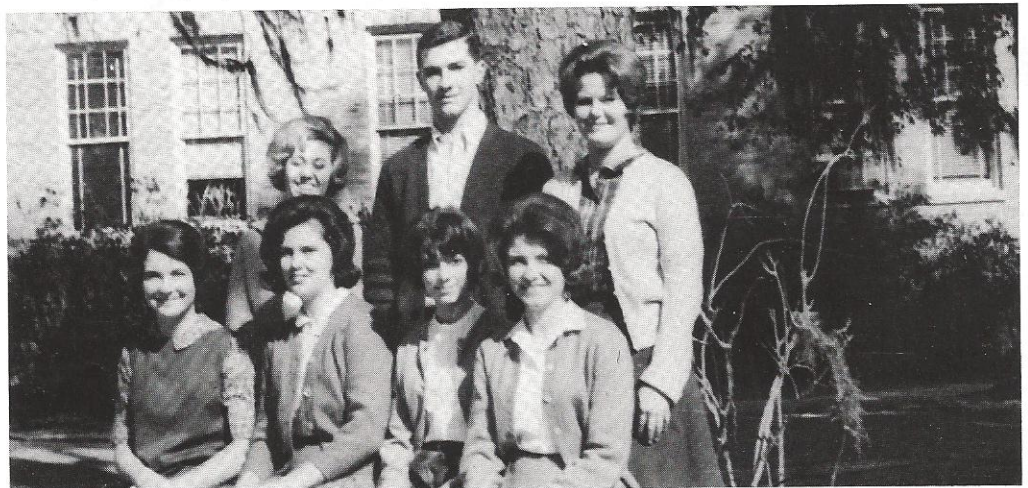

The National Merit Tests are given each year to conduct a nation-wide search for high school students possessing unusual promise of intellectual achievement and to encourage these students to attend college by awarding scholarships to as many as possible.

Students who make high marks on the qualifying test given in March of the junior year, on the College Entrance Examination Board in December of their senior year, and on their school grades are selected as Finalists. National Merit Scholars are then chosen according to ability and financial need.

This year seven people from Walterboro were chosen for All-State Chorus. These people were chosen by Mr. Senn, at Bamville, S. C., on October 5, 1963. On February 21, 1964, they went to the Furman University Auditorium for the All-State Chorus
