

Mr. Pettit

Firm leadership and sympathetic understanding are qualities possessed by a good administrator. Our principal, Mr. T. B. Pettit, Jr., who came to us this year from a similar position at Bethune, S. C., is loved and respected for these qualities.

Under Mr. Pettit's direction and guidance, WHS has had a very successful year.

Mr. T. B. Pettit
Principal of Walterboro High School

Hard at work.
