Mrs. D. M. Buckner
Chorus Director

"One, two, three, sing!!!"

Mr. Gerald Polk
Band Director

"Come, blow your horn!"

The music department manifests itself vocally in various forms, including the mixed chorus, boys' double quartette, boys' glee club, girls' triple sextette, and girls' glee club. This year it had three members of the chorus selected for the All-State Chorus and six for the Clinic Chorus.

Instrumentally, the music department displays the WHS band. In addition to regular band rehearsals, individual lessons are offered.
