Math

In every phase of daily life, from complicated formulas, derivations of scientists, to the purchasing of toothpaste at the drug store, math is a basic essential in our modern-day world.

Keeping in step with the vast technological advances made in recent years, WHS for the first time offered this year a course in Advanced Math II. Also taught by the WHS math department are general math, algebra, geometry, advanced algebra and trigonometry.

Mrs. Meryl B. Jones is the head of the math department of WHS.

"Oh! these proofs!"

"If the sum of the squares of the sides . . . "
