

Commercial

The commercial department of WHS prepares the student for the world of business. Skills such as typing, shorthand, and bookkeeping provide a firm foundation for the business student.

Through English and business math, the student specializes in essential training techniques needed to further a well rounded business education.

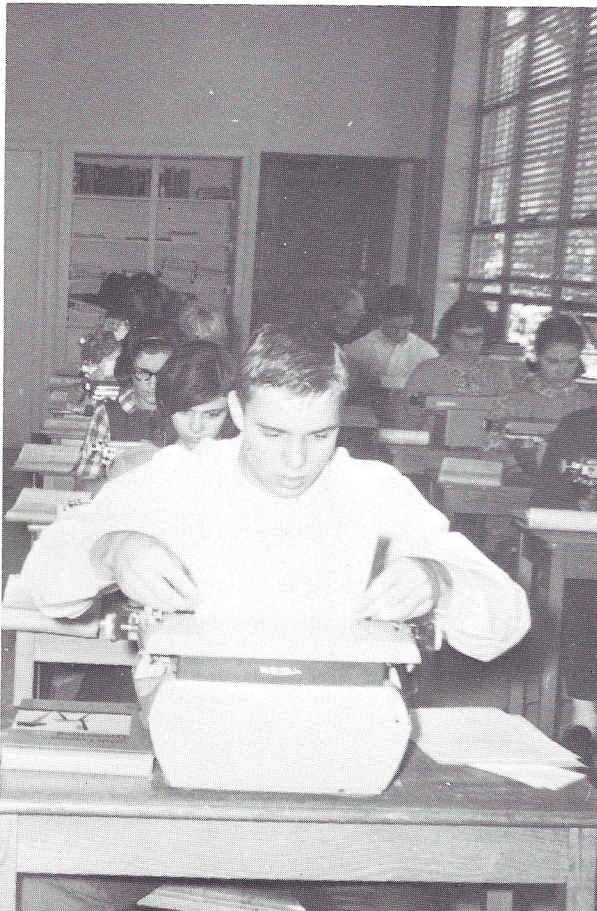

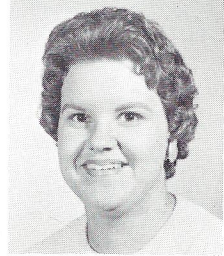

Distributive education is designed to give students a chance to learn by doing.

Mr. H. E. Cone is head of the WHS commercial department.

Mr. Ellison Cone
Mrs. Amanda Smith

Miss Marilyn Joyner

"It just won't balance!"

"The correct way to insert paper is . . ."
