Mrs. Myrtle Allen
Mrs. Eloise Hawkins

Mr. S. M. Padgett
Mr. Herman Mines

Mr. Edward Hodges
Mr. L. E. Buckwalter

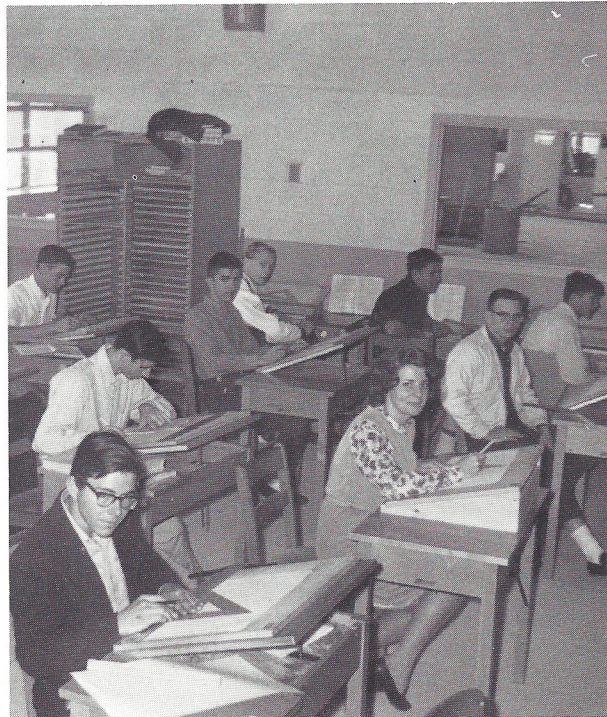

Through the Vocational Department of WHS, students learn diverse skills essential for both college and career-bound students.

Courses offered are agriculture, home economics, mechanical drawing, shop, wood, auto mechanics, and plumbing. They are divided into three parts: Agriculture, headed by Mr. S. M. Padgett; Home Economics, headed by Mrs. Myrtle Allen; and Trade and Industry, headed by Mr. H. E. Mines.

"A heavy breakfast consists of . . ."

"Watch those fingers, boys!"

"Are you designing us a new school?"
