

PRESIDENT'S CABINET: B. McMillan, S. Sanders, B. Phillips, B. Howell, B. Harkey, H. Kinsey, K. Rowe, M. Braunstein, F. Cummane.

If you happen to see an over-worked and under-paid looking being walking the corridors of Walterboro High, it's a fairly sure bet that it's a member of the Student Council. Throughout the year the council members have carried upon strong shoulders, a stupendous load of leadership; and there are few who will deny that they have borne their burden well.

Their deeds, which witness to the active spirit of the Student Council, are many and varied. They include publishing the student handbook, running elections, paying for the student phone, publicizing the Honor Roll, and making signs for the parking lot. The council's annual money-making projects are the Queen of Hearts contest and the paperback book fairs.

Student Council
