## Wildcat Staff

Every six weeks the staff of the Wildcat presents another chapter in the life of Walterboro High "hot off the press." Full of the latest flashes, the Wildcat captures the interest of every student at WHS.

There is no subject beyond reach of the reporters, who search everywhere for news-worthy bits of information. The Wildcat includes coverage on important sports and organizational events, the happenings around school, and many special features.

"Would you like to buy a Wildcat?"

"Judy, when are you gonna learn to type?"
