

# Glee Club

Accompanist  
Judy Walker

"1-2-3- sing. "

The chorus offers training and experience in part singing. This year the chorus is made up of over one hundred members. Within the choral program are the girls' triple sextet and the boys' double quartet. These groups perform at functions when it is not possible for the chorus to perform.

During the year there are two major productions for the public, the Christmas concert and the spring concert.
