Betas' hard earned money goes to a worthy senior.

Walterboro High's battalion of scholars falls into battle formation in the continuous struggle against ignorance. With their shields of character, scholarship, and leadership, they drill in preparation for the day when each of them will meet the foe in earnest. The Beta Club of WHS is proud to have drawn so many recruits into its ranks.

Among the campaigns this year were the pie supper, the morning devotional, and the projects to raise money for the \$100 scholarship to be given at graduation.

The Beta Club sponsors the morning devotions.

Betas enjoy reading the Beta Journal.
