Football is teamwork. It is the union of student body will and team skill which binds Walterboro High School together in one spirit.

The Wildcats kept up their winning tradition with six wins, two losses, and three ties. Even though this winning team loses fifteen players next year, WHS is looking forward to another winning season.

COACHES: E. Hutto, D. Covington, R. Strock, W. Carter.

"How do you think you can catch the ball and look at the other team's cheerleaders, too?"

"Don't step on that line!"

"Where's the team??"

"I want you!!"
