

SENIOR CLASS 1967

...During his final year, each senior began to realize what WHS meant to him. Attending the Homecoming festivities, taking the leadership in College Night, attending the Junior-Senior as a guest, and finally marching down the aisle in cap and gown: these would always be treasured memories.

...Graduation was anticipated with mixed emotions. Each year had been fun as well as work, but as this year ended, each senior knew that he would always have a special place in his heart for WHS.
