

# JUNIORS . . . CLASS OF '68

Juniors began to realize that many decisions must be made in the coming year. With this in mind, students chose their courses and settled to work. Looking forward to such things as their first Junior-Senior, the juniors worked madly on the Halloween Carnival, concession stands, and class play.

Being tapped into the Honor Society was the hope of many, although only eleven were selected. As in previous years, the top eight members were chosen to serve as Junior Marshals. Through their united efforts, juniors were preparing themselves for their roles as seniors, as well as for later life.

President, Sarah Lee Thomas; vice-president, Cathy Simmons; secretary, Sharon Hayden; treasurer, Myra Ayers.
