

# STUDENT COUNCIL

The Student Council is undeniably the most active and effective organization at Walterboro High. As representatives, leaders, and servants of the student body, members shoulder enormous responsibilities throughout the year and continually work to improve our school in all aspects.

Among the activities of the Student Council are: conducting a workshop for the training of members, running elections, publicizing the Honor Roll, and making signs for the teachers' parking places. Through the annual Queen of Hearts Contest the Council makes money to support its activities.

Frank Cunnane, President.

Mary Hutto, Secretary.

Bill Smith, Vice-president.

Paula Drew, Treasurer.
