

Oppressed by the "law of gravity."

SCIENCE CLUB

The Science Club, an affiliate of the Junior Engineering and Technical Society, enables physics students at WHS to pursue their studies outside the classroom and remain informed on current scientific developments. Through various projects it obtains funds to help finance trips to the Atomic Energy Installations at Oak Ridge, Tennessee and the NASA facilities at Huntsville, Alabama.

FIRST ROW: Walter Haynes, treasurer; Fred Padgett, vice-president; Bobby Ozbolt, president; Debbie Gardner, secretary. SECOND ROW: Vicki Johnson, Deborah Wright, Johnny Lemacks, Frank Cunnane, Cynthia Bayne, Perry DeLoach, Al Odom. THIRD ROW: Douglas Pinckney, Thomas Johnson, Jim Cook, Jolene Smoak,

Peach Foster, Dawn Hogan, Karen Shook, Mrs. Lytchfield, sponsor. FOURTH ROW: Wendell Crosby, Dorothy Faulkner, Frank Stanley, Henry Dyson, George Hustler, Ronald Walfield, Kenneth Braunstein. FIFTH ROW: John Pierce, Gilbert Turner, Jimmy Padgett, Allan Gardner, Bobby Wilkinson, Lynn Wright, Bill Smith, Robbie Novit.

It's just a simple problem of thermodynamics!
