

## Dedication

A teacher who is able to make learning full of joy and satisfaction is indeed a rare find. Such a teacher, displaying concern for her pupils, not only in school work but in all activities, is a great joy. Because of her genuine concern for and belief in young people, Mrs. Laura Lynn Hughes is just such a person.

To Mrs. Hughes, who has through her service, instruction, and sincere interest, become a "Flame of Spirit" to all members of the Walterboro High School community, we proudly dedicate the 1969 LAIR.
