

WHS Chorus

The purpose of Chorus is to add a unique type of spirit to school life. The Chorus this year is divided into two classes consisting of 140 students.

The chorus adds to some school functions such as concerts and graduation.

There are two concerts presented during the year. The one at Christmas is a gift to our school and to the community. The other is the fund-raising spring concert. There is much time and hard work put into this program, but the perfect performance makes it all worth while.

The delight and spirit which the Walterboro High School Chorus brings to our school is quite an asset in our day to day work.

Walterboro High School Chorus

Mrs. Dorothy Mae Buckner, Director
