

# Trade and Industries Club

Trade and Industries Club

The main objectives of the T & I Club are to prepare the student for life in a democracy, to make him increasingly self-directive, to teach cooperation, to increase the interests of the student in the school, to foster sentiments of law and order, and to develop special abilities through exploration, vocational training, business training, and recognition of various interests and ambitions.

*Best of luck  
to you  
Mr. Jewell*
