Boys' Basketball

The Wildcat basketball team upheld their tradition by taking the court with an eager enthusiasm to hold high the illustrious name of the mighty Cats. Their successful season was the result of diligent practice and team co-operation. The team showed improvements over last year in both rebounding and shooting. The Cats hit the 100 mark for the first time in the new gym. They also gave the fans some exciting moments when they defeated such rivals as Summerville, Garrett, and Bishop England. Under the direction of Coach Humphreys, the Wildcats have proven that they will be a winning team for years to come.
