

Girls' Basketball

Girls' Varsity Basketball Team 1968—1969

The Walterboro High School girls' basketball team proved to be the best team WHS has had in quite a while. The girls had to adjust to new rules, but with a good deal of effort and desire they came out with a fine record. The climax of their season was the winning of the Lower AAA Conference Championship. Two of the team members, Julie Segura and Barbie Wixson, were selected to play on the all conference team.

Girls' basketball is growing in popularity because of the team spirit and cooperation involved. Basketball is one game in which great skill is to be admired. That skill displayed by our girls has proved to be more than enough for a winning team.
