"THE FLAME OF SPIRIT"

John Raymond Taylor

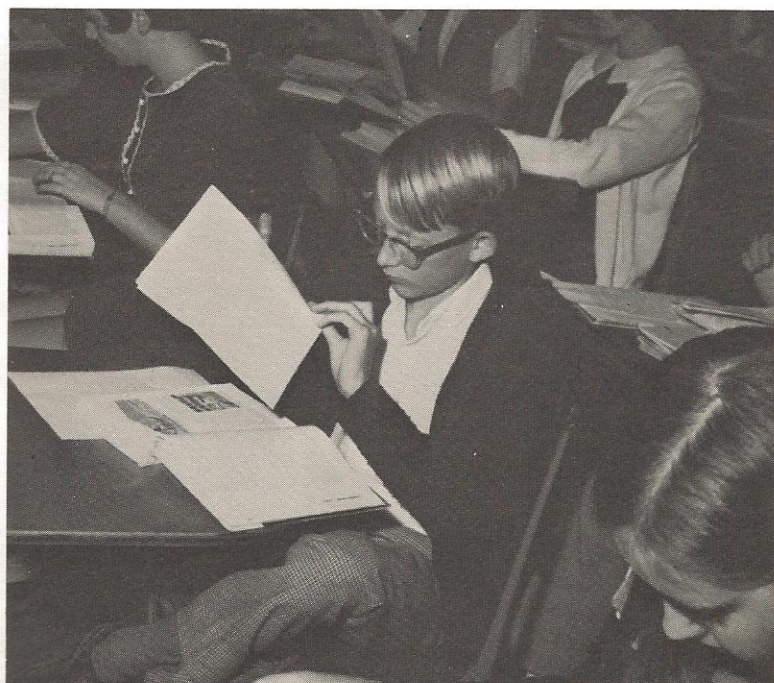

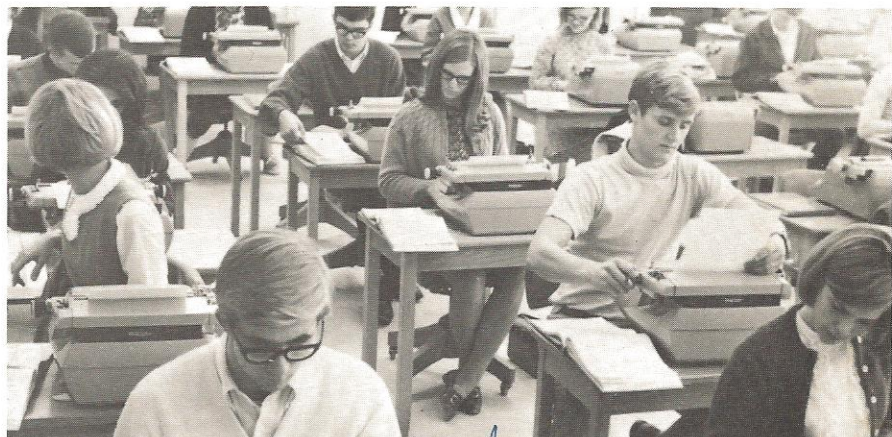

Vicky,

I can't ^{believe} we are leaving WHS, can you? I'll always remember you as a real cute and sweet girl. If you stay that way, I'm sure you'll go far in life. I hope you have the best of luck in the future with John. (Well, I think).

Love ya,

Donna
(Semcocks)

Spirit to Pursue

Vicky,

Would you believe this is our Senior Year! We've really had a lot of fun these past 4 years. Typing has been our favorite Class. Stay cute 'n' Sweet and don't give John ~~SA~~ such a hard time.

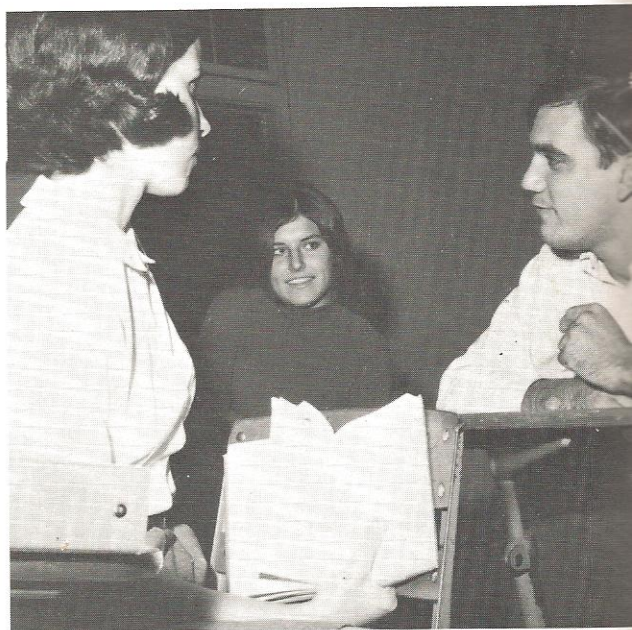

God Bless

+ take Care

Love

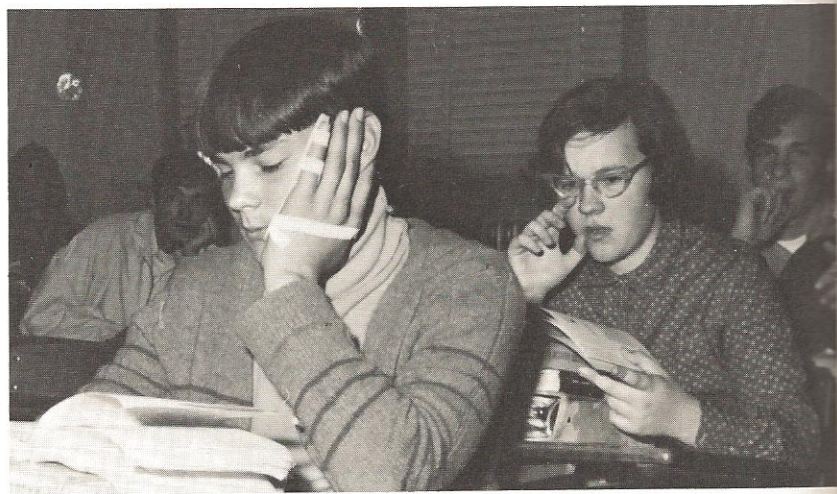

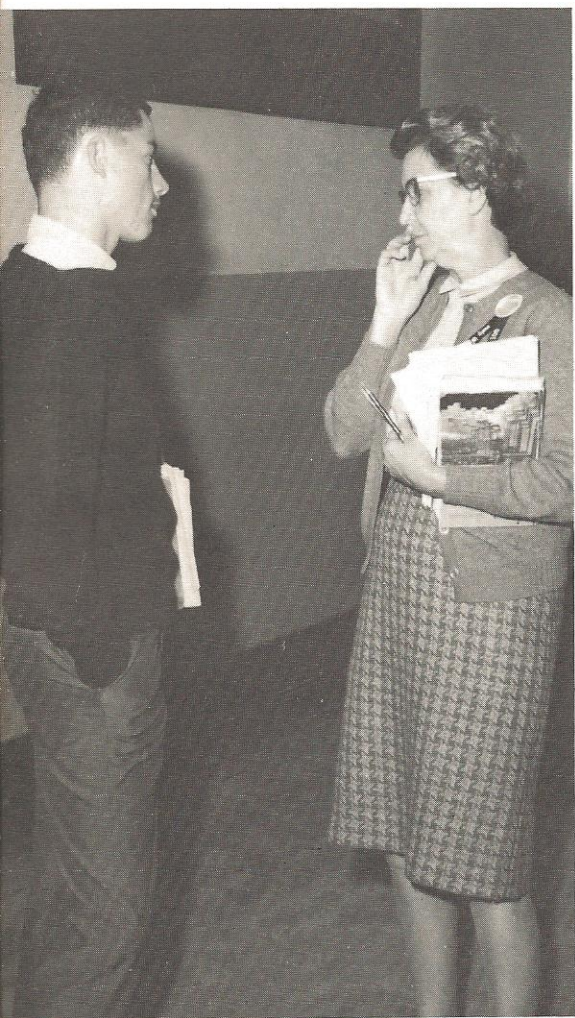

Debbie D
Darchridge

Spirit for Fun

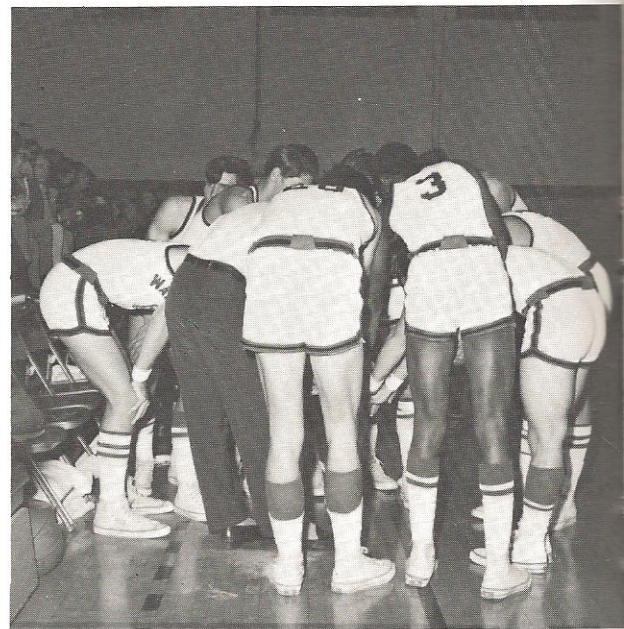

Vicky's Duck
Best of Luck
will join and
keep him away from
Nancy's. Good Luck
Love Ed & Edna

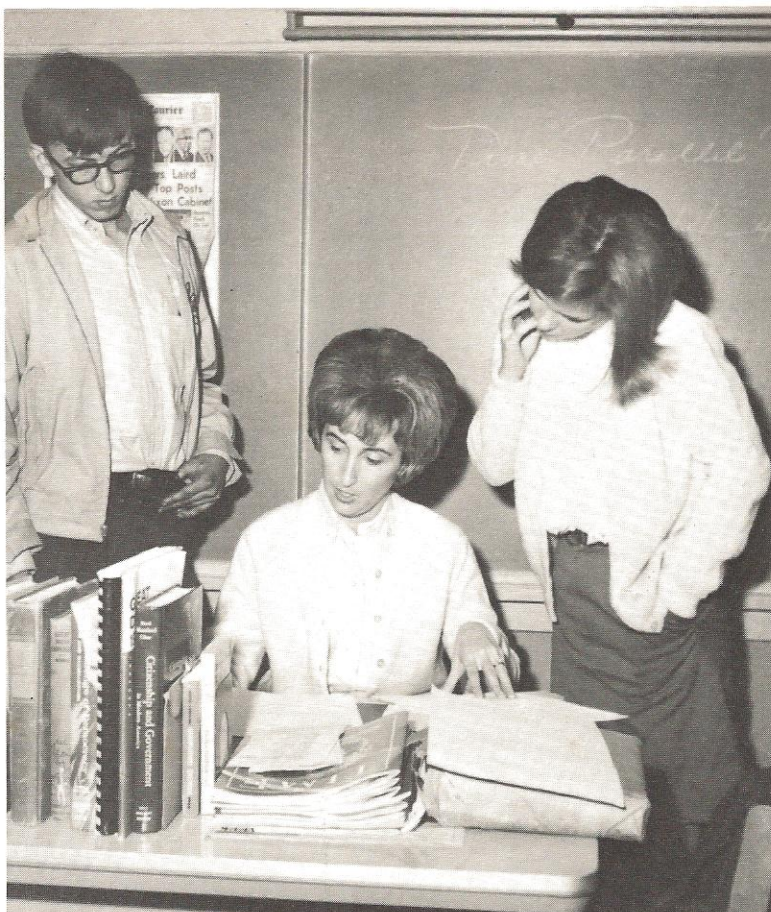

Spirit to Accept Defeat

Spirit to Win

Dedication

A teacher who is able to make learning full of joy and satisfaction is indeed a rare find. Such a teacher, displaying concern for her pupils, not only in school work but in all activities, is a great joy. Because of her genuine concern for and belief in young people, Mrs. Laura Lynn Hughes is just such a person.

To Mrs. Hughes, who has through her service, instruction, and sincere interest, become a "Flame of Spirit" to all members of the Walterboro High School community, we proudly dedicate the 1969 LAIR.

Alma Mater

Angels guard our Alma Mater
From the skies of blue;
Guard and guide our footsteps ever,
Firm and strong and true.

We will e'er uphold thy standards
Honor, love, and truth;
Pledge our hearts, our hands, and voices,
Loyalty and youth.

Forward! Ever be our watchword,
Conquer and prevail;
Hail to thee, our Alma Mater,
WHS All Hail!

School Prayer

May every thought we think today
And everything we do and say
Be worthy of the folks we love
And worthy of our God above.
Amen

Classes

Senior Class History

"In like a lamb and out like a lion" might well describe the aurora of elation which the Class of '69 as freshmen felt. Introduced into high school we climbed onto a higher plateau which commanded the best that we could offer. No longer would assignments be repeated nor work poorly done be accepted; as freshmen we learned that in order to be a success in life we must have as a background a solid education.

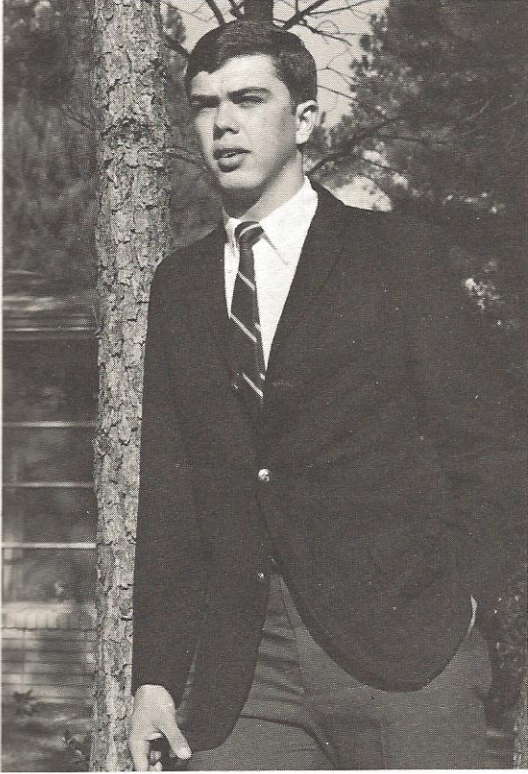

In high school we found the fundamentals for a basic education; however, responsibility, teamwork, and leadership were stressed in equal importance. The leaders of today realize that for a better tomorrow, we, the leaders of the future, must be so experienced that whenever problems arise they can be handled rationally and efficiently.

Becoming adjusted to a larger school memorizing schedules, and learning, where classes are all enhanced our aspirations. The newness of these daily rituals soon died and became the humdrum of every day at school. As sophomores our class faced monetary problems which had to be overcome. Through Saturday car washes and bake sales our financial ratings began to rise.

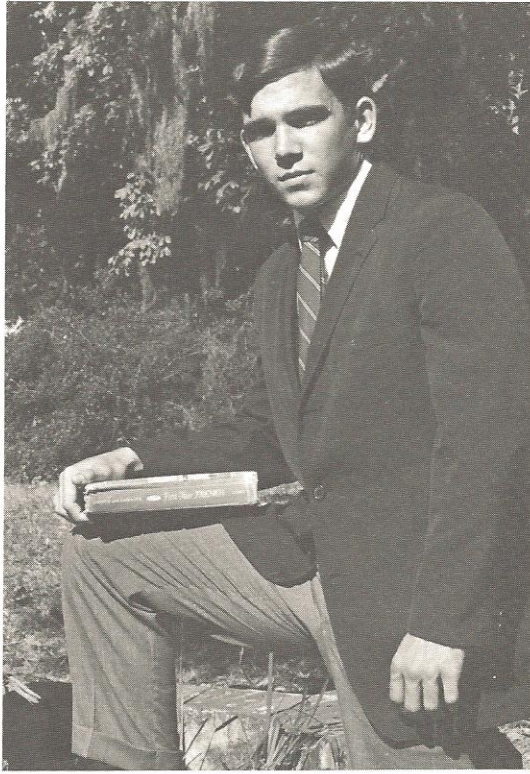

As Juniors we were granted more opportunities which would enable us to use the knowledge and experience we had perfected. Highlights of our Junior year were the Halloween Carnival and the Junior-Senior. The latter which produced the fantasy of "Somewhere My Love," a prom which will not soon be forgotten.

As Seniors there is much that we need to impress on the underclassmen. Being a Senior is much more than just completing four years of high school, it carries with it the responsibility of leading the student body and setting an example which they will be proud to follow. High school, like a testing ground, prepared the mind and body. Our personalities, outlooks, and habits are molded and then reshaped again that we might be the best individual possible. Now, having received the best training we face the realities of the world. We have learned in high school to meet each challenge calmly and with a determination that will enable us to overcome any obstacle that confronts us. With this as a conclusion, we say good-bye to "Good Ole W. H. S." reluctantly.

Organizations

Student Council

The Student Council is an important part of any good school organization and program. Its primary contribution lies in the area of teaching good citizenship, by providing the means whereby students may experience self-directed privileges and responsibilities under faculty guidance. It also manages those phases of the school's program related to school activities and social climate.

Elliott Savage, President

OFFICERS: Elliott Savage, President; Carolyn Wilson, Treasurer; Nancy Lytchfield, Secretary; Danny Litchfield, Vice-President.

Student Council

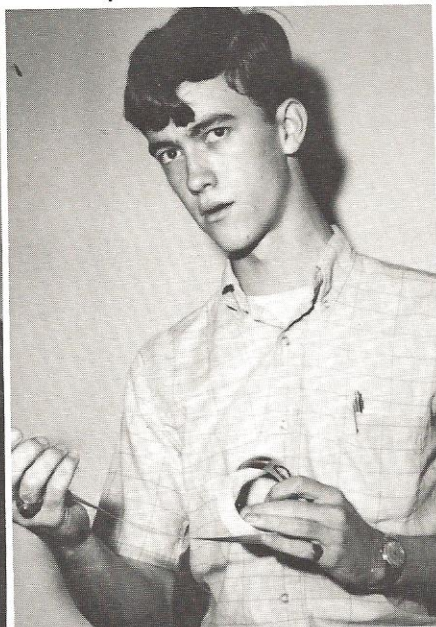

The Lair Staff

The Lair Staff attempts to capture in pictures the treasured moments that so quickly vanish. The pages of the Lair are filled with pictures and words that preserve for its readers collections of golden experiences that make their lives full and rewarding. Staff projects include Senior Workday, the selling of game ribbons, and taking subscriptions for the yearbook.

Mary Hutto, Editor

Sarah Mills, Business Manager; Richard Tumbleston, Photographer; Mrs. Gerry Skardon, Advisor.

Lair Staff

The Wildcat Staff

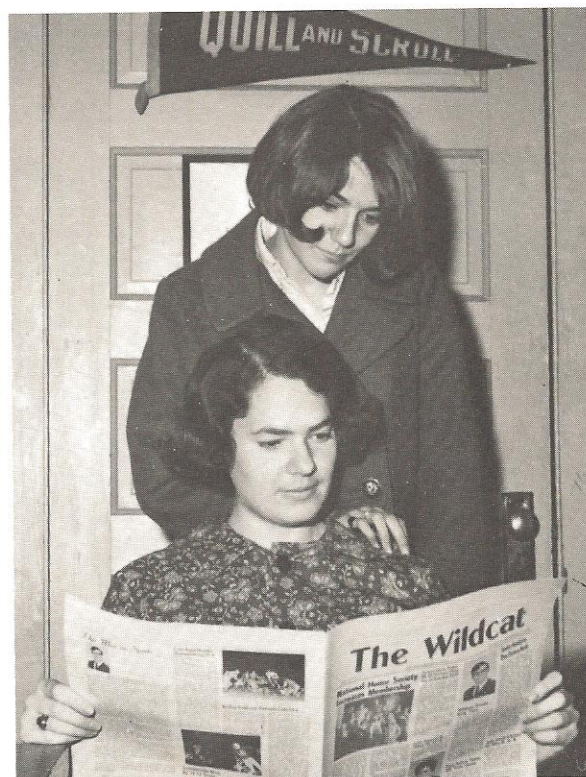

Wildcat Staff

Our school paper, The Wildcat, which is published once a month contains various happenings around our school. They publish sports, special events, club news, and enjoyable reading for all students. It also contains opinion polls in which the students can express their thoughts on issues of the world around them.

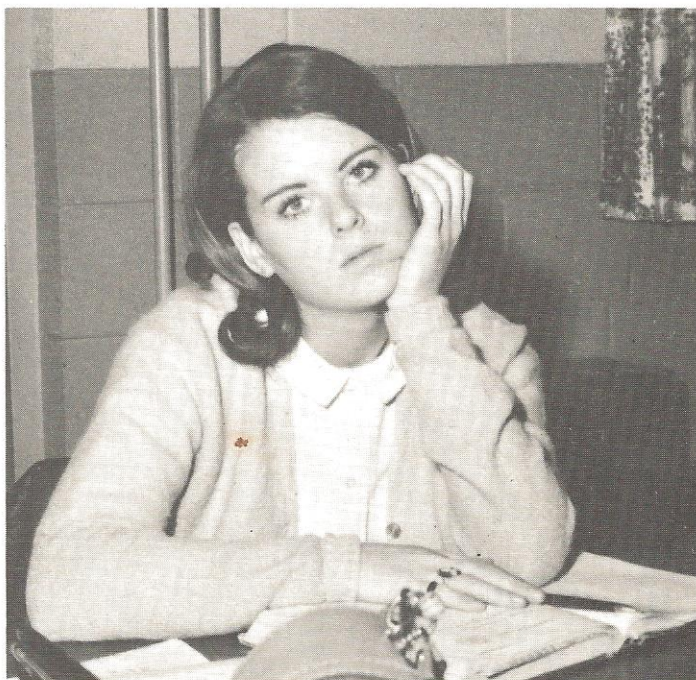

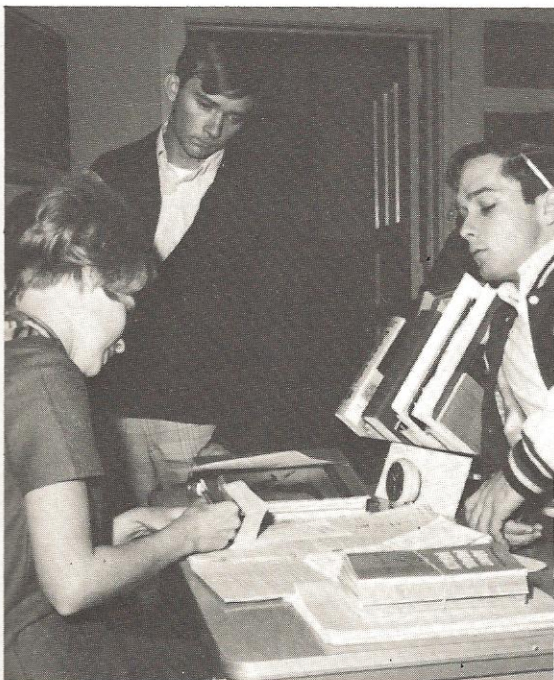

The Wildcat is affiliated with the Quill and Scroll and the South Carolina Scholastic Press Association.

Lila Pinckney, Editor; Gail Ozbolt, Assistant Editor.

Barbie Wixson, Business Manager

WHS Chorus

The purpose of Chorus is to add a unique type of spirit to school life. The Chorus this year is divided into two classes consisting of 140 students.

The chorus adds to some school functions such as concerts and graduation.

There are two concerts presented during the year. The one at Christmas is a gift to our school and to the community. The other is the fund-raising spring concert. There is much time and hard work put into this program, but the perfect performance makes it all worth while.

The delight and spirit which the Walterboro High School Chorus brings to our school is quite an asset in our day to day work.

Walterboro High School Chorus

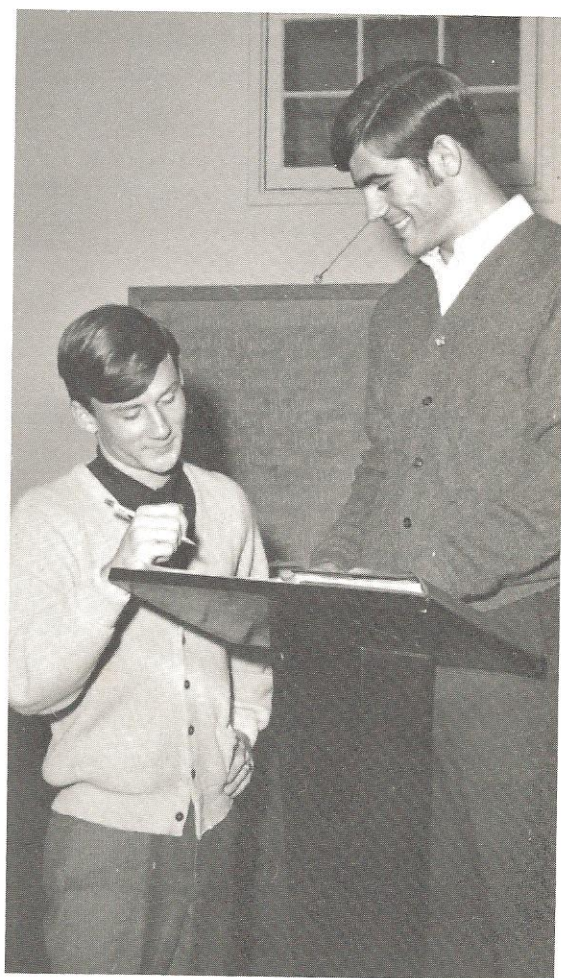

Mrs. Dorothy Mae Buckner, Director

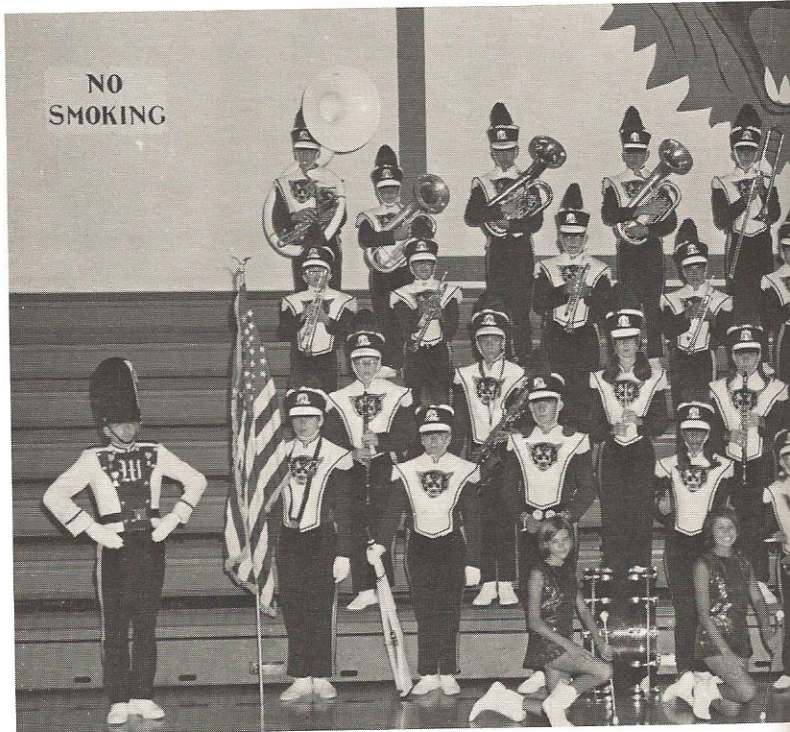

Janice Simons, Accompanist

Dean Herndon and David Williamson, Student Directors.

WHS Band

The outstanding Walterboro High School Band is one of the students' great prides. The band's performance at the various athletic events, parades, and concerts is a credit to the school, the band members, and its director. As in past years, they received many awards for their performances this year.

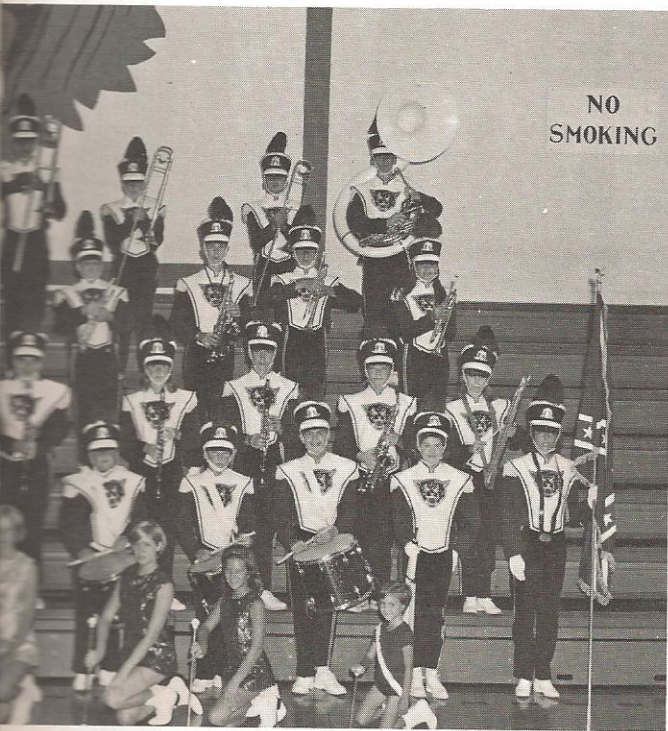

Walterboro High School Band

Mr. Gerald Polk, Director

National Honor Society

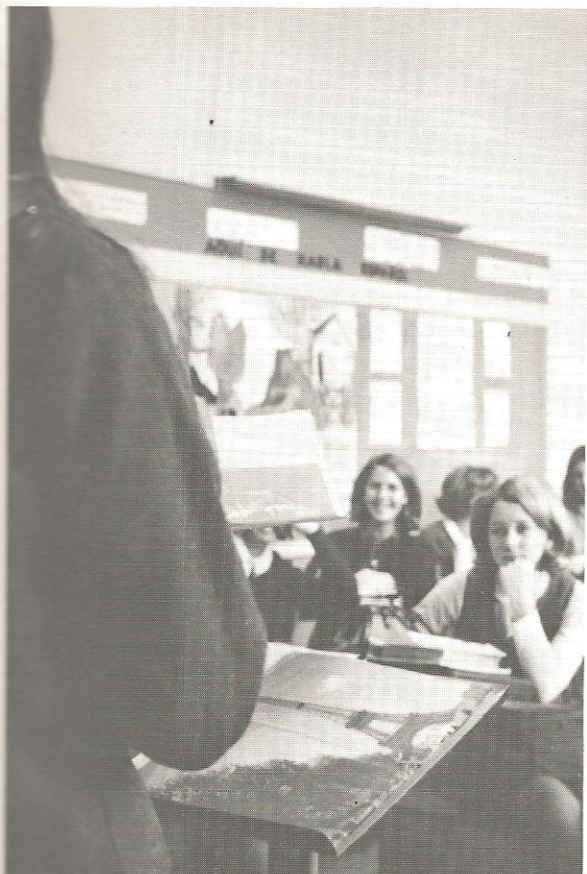

National Honor Society

Students who exemplify scholarship, leadership, service, and character are chosen for membership in the National Honor Society. Here they work constructively to inspire other young people and to stimulate respect for their ideals. Among the societies activities are the morning devotionals and the awarding of a scholarship to one of its graduating members.

French Club

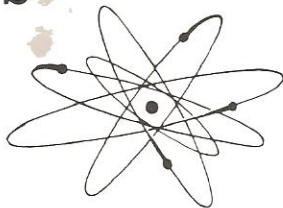

The purpose of the French Club is to arouse interest in the cultural background, to supply a practical tool of communication and to open passageways to lingual vocations.

French Club

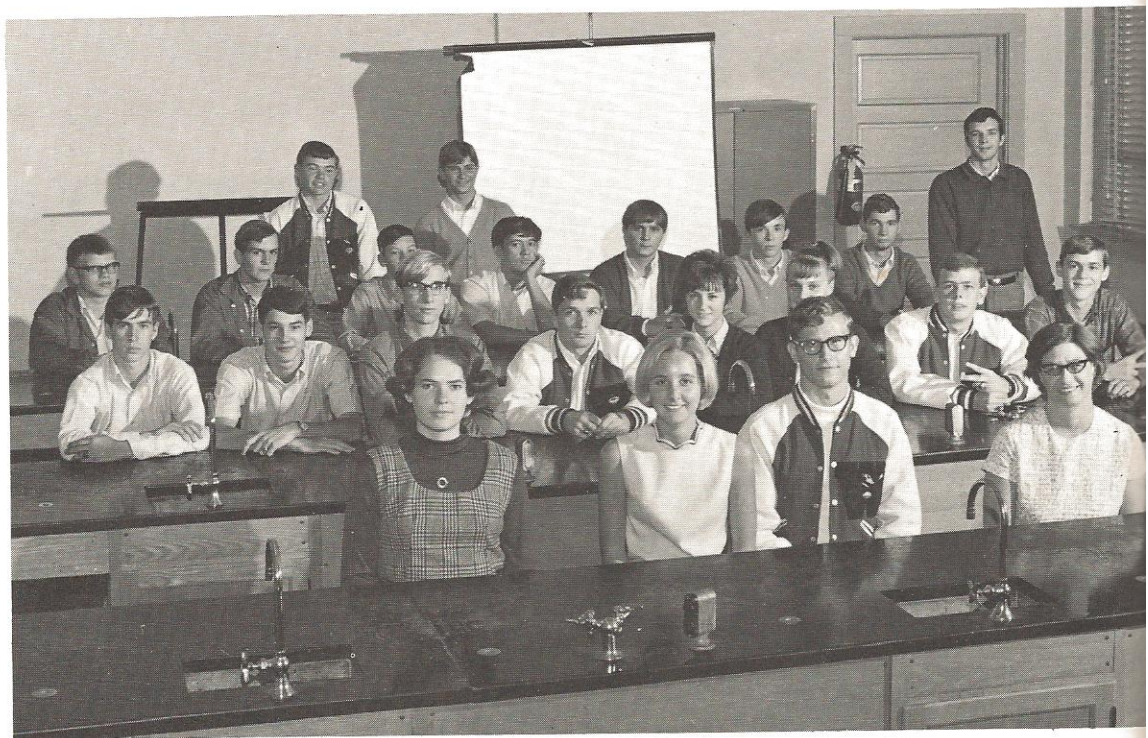

Science Club

The Walterboro Science Club is composed of those students who are taking or have taken chemistry and physics and have maintained a three point zero average. The Walterboro chapter works in affiliation with the Junior Engineering Technical Society, also known as the JETS.

In cooperation with its sponsor, Mrs. Margaret Lytchfield, the Science Club attends state JETS's conventions, tours modern industrial plants, and is planning a tour of Oak Ridge this spring.

The aim of the Science Club is to introduce interested students to the world of engineering and technology. It is the hope of the club that a clearer understanding to today's science will insure a better tomorrow for mankind.

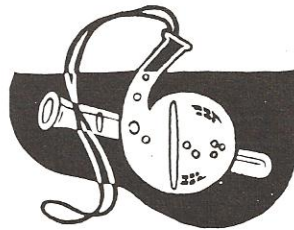

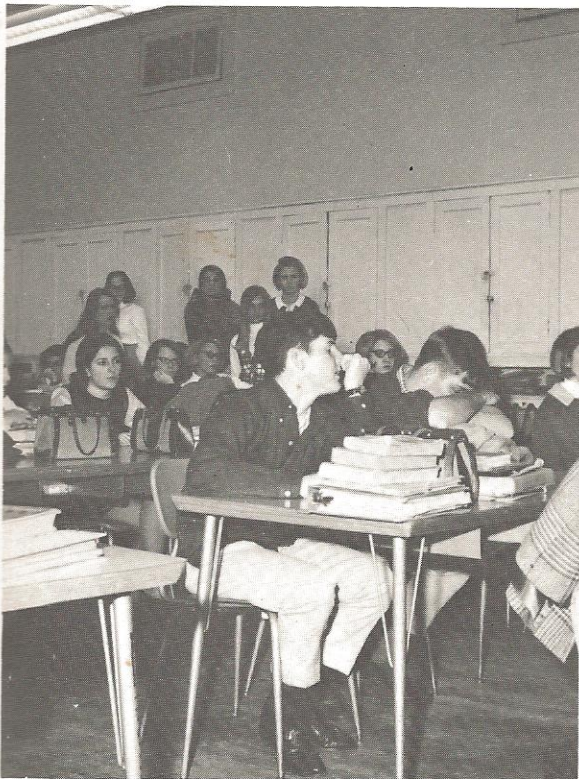

Science Club

Biology Club

Biology Club

Members of the Biology Club have a common interest in the biological sciences. Through this club, students are informed of current developments in biology and are familiarized with related activities and future occupations. At Christmas, the Biology Club aided the U. S. Marine Corps in their annual Toys for Tots drive. They were also active participants in the March of Dimes.

Pep Club

Striving to inject pep and spirit into the student body of W. H. S. is the aim of the Pep Club and cheerleaders. Pep Club members worked long and hard hours painting the clever signs and planning the inspiring pep rallies which added life and spirit into THE HALLS OF W. H. S. and lead our teams to their many victories. Many members of the Pep Club followed the Wildcats to Florida adding both physical and moral support.

Pep Club

Future Teachers of America

Future Teachers of America Club

The Future Teachers Club tries to expose its members to the advantages and disadvantages of the teaching profession.

Members enjoy working as teachers' aids and sponsoring Teacher Appreciation Day. The senior club members have the opportunity to visit other schools to observe teaching techniques.

Special projects during the year include working in the concession stands at Junior Varsity football games and the annual talent show. Money from these projects goes toward a scholarship for a worthy senior.

International Relations Club

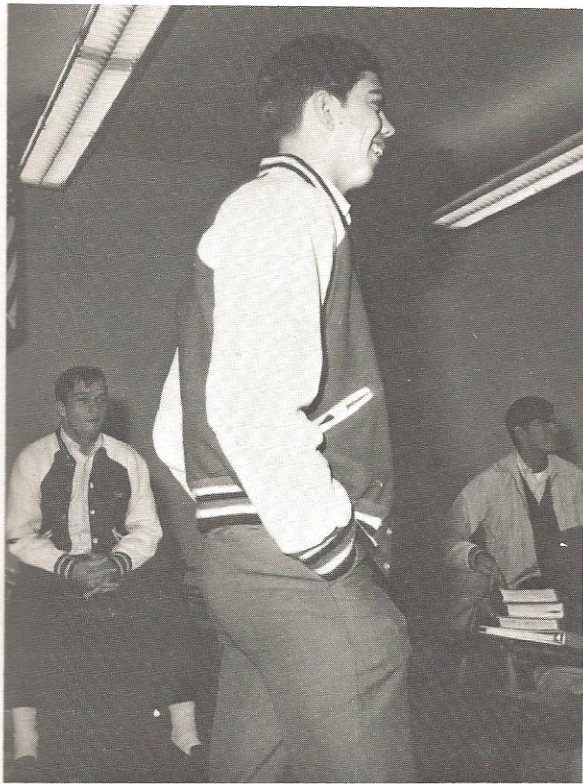

International Relations Club

The chief concern of the International Relations Club is to enrich the students knowledge of current events. During the course of the year interesting debates and discussions are held on the latest world affairs. The club sponsors a "Slob-Day" to help raise money for the two scholarships awarded to deserving seniors.

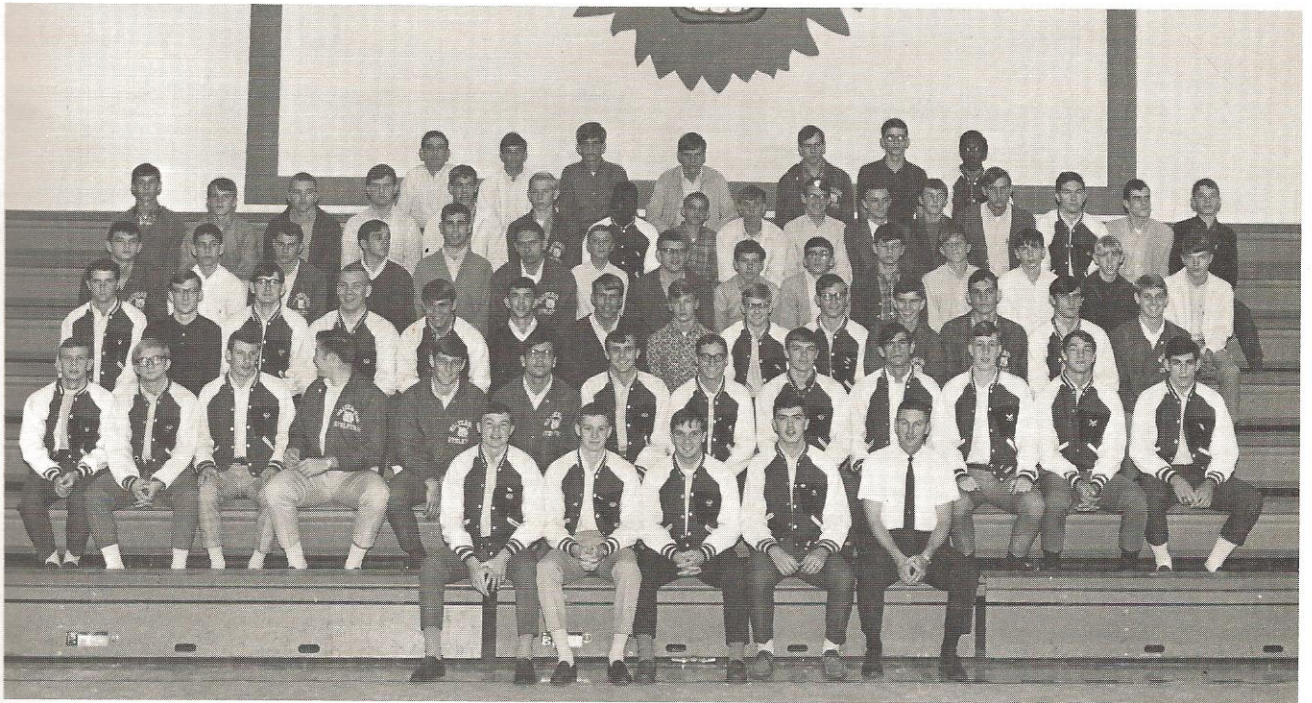

Fellowship of Christian Athletes

The Fellowship of Christian Athletes is a program to confront the athletes and coaches of today, and through them the youth of the nation with the challenge of following Christ in the fellowship of the Church. The FCA Chapter at Waltherboro High School is a young organization but has grown immensely in the past year. Through huddle meetings and group gatherings our Chapter hopes to aid the Coaching Staff in developing athletes spiritually, physically, and mentally.

This year the FCA sponsored the Powder Puff football game to help raise money for the annual Christmas party for underprivileged children.

Fellowship of Christian Athletes

Library Club

Library Club

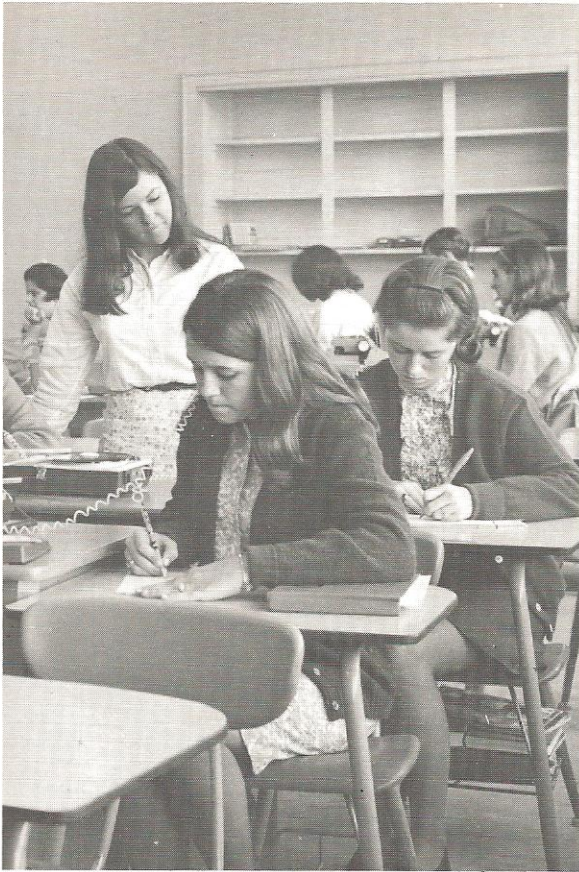

The main objectives of the Library Club are to acquaint students with library services, resources, and procedures; to create wider interest in good books and reading; and to provide an opportunity for the development of leadership.

Library Club members assist with circulation, writing overdue notices, and publicity.

Their annual projects consist of giving a food basket to a needy family, improving the library, and a trip to Charleston or Columbia.

Future Business Leaders of America

For those students who plan to enter the business world the Future Business Leaders of America offers opportunities to develop the competent leadership necessary in today's competitive society and to acquaint themselves with the problems they will later face.

Future Business Leaders of America

Senior Future Homemakers of Tomorrow

Senior Future Homemakers of America

The Senior F. H. A. Chapter members work hard to develop desirable traits of leadership, because as future homemakers, they are a vital force in the making of our future.

The Senior F. H. A. received an excellent rating on each of the state projects which are scrapbook, yearbook, dress, home experience, electrical project, and record book. A special award was received for participation in all state activities.

Junior Future Homemakers of Tomorrow

The goal of the Junior F. H. A. is to develop creative leadership in home and community, and to promote appreciation of the art of homemaking. It aims to improve home and family life and to promote international good-will. Finally, Junior F. H. A. leads and guides today's young girls to maturity and responsible citizenship.

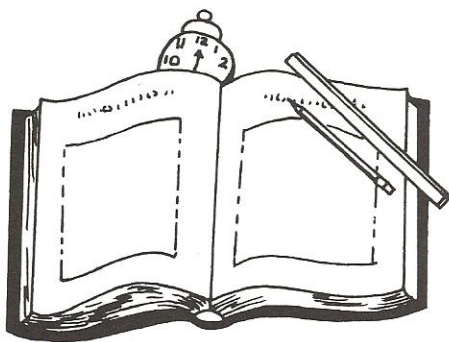

Junior Future Homemakers of America

Distributive Education Club

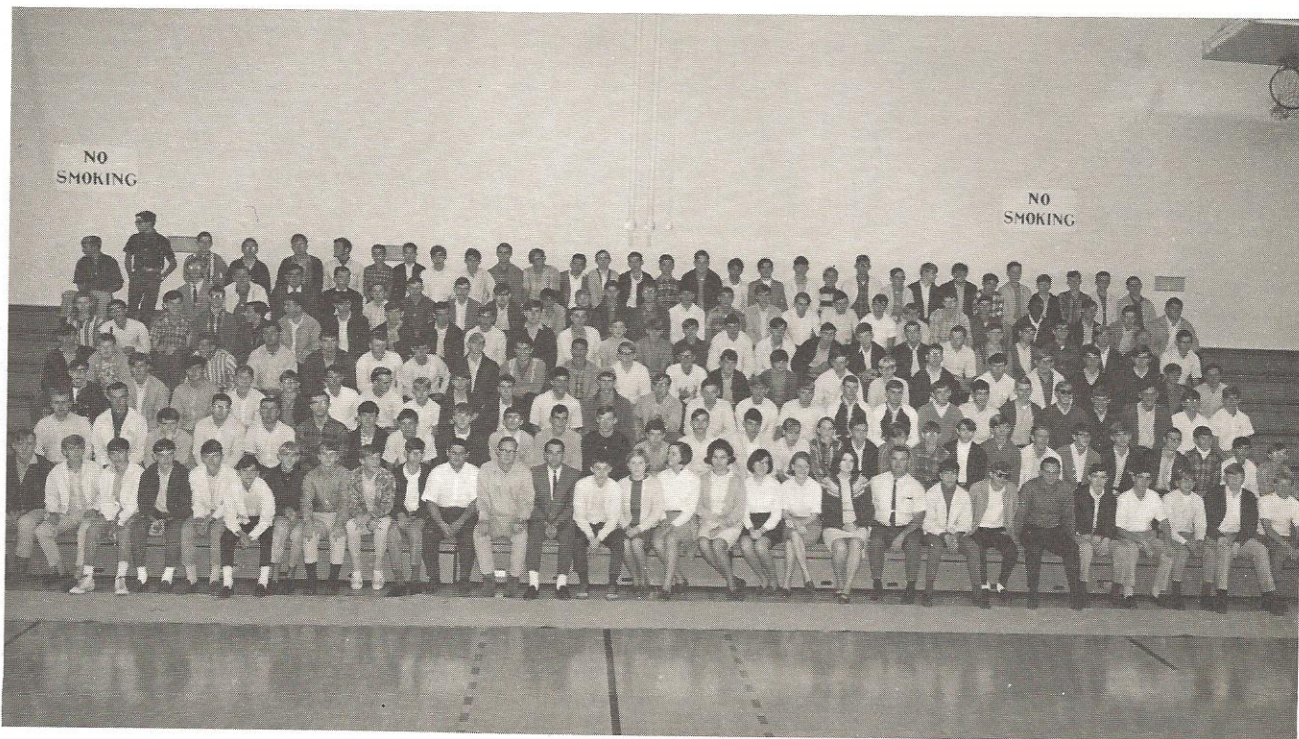

Distributive Education Club

Students enrolled in the Distributive Education Program compose the membership of the DE Club, whose purpose it is to prepare young people for roles in the business world. Members provide service to others as well as to themselves by coordinating their studies with active participation in business.

Trade and Industries Club

Trade and Industries Club

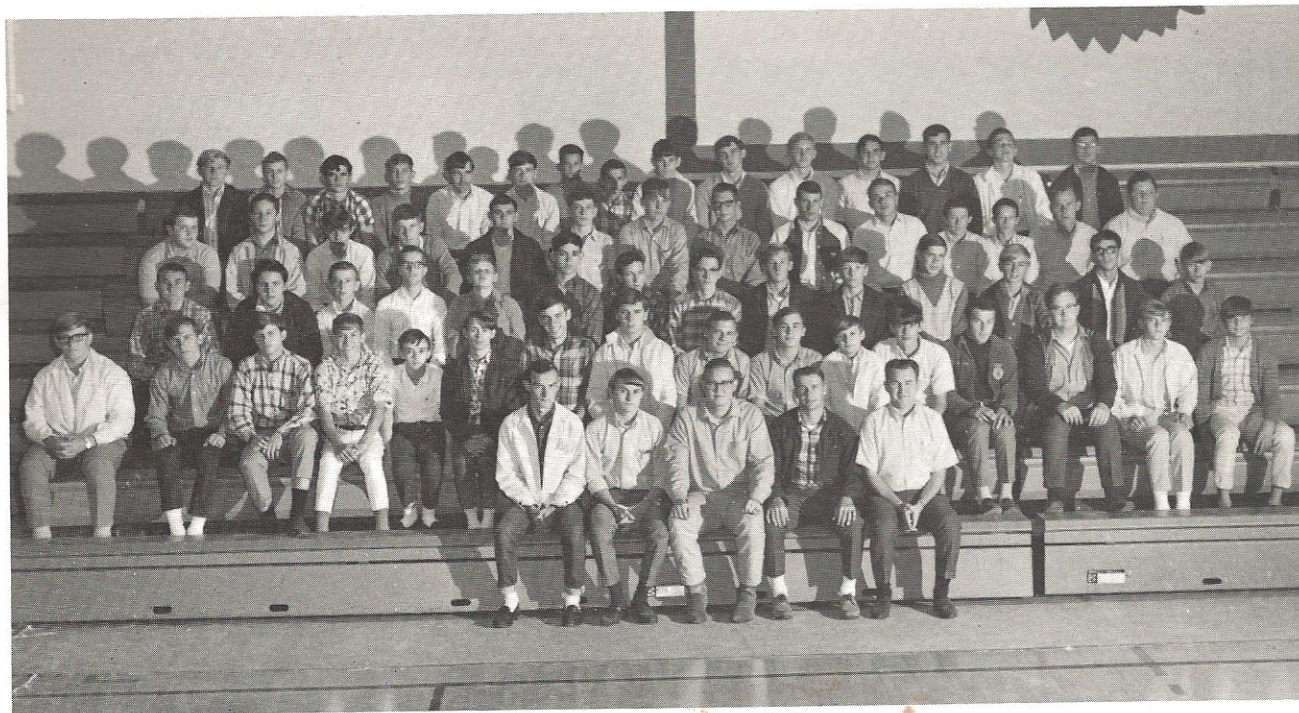

The main objectives of the T & I Club are to prepare the student for life in a democracy, to make him increasingly self-directive, to teach cooperation, to increase the interests of the student in the school, to foster sentiments of law and order, and to develop special abilities through exploration, vocational training, business training, and recognition of various interests and ambitions.

*Best of luck
To you
Mr. Jones*

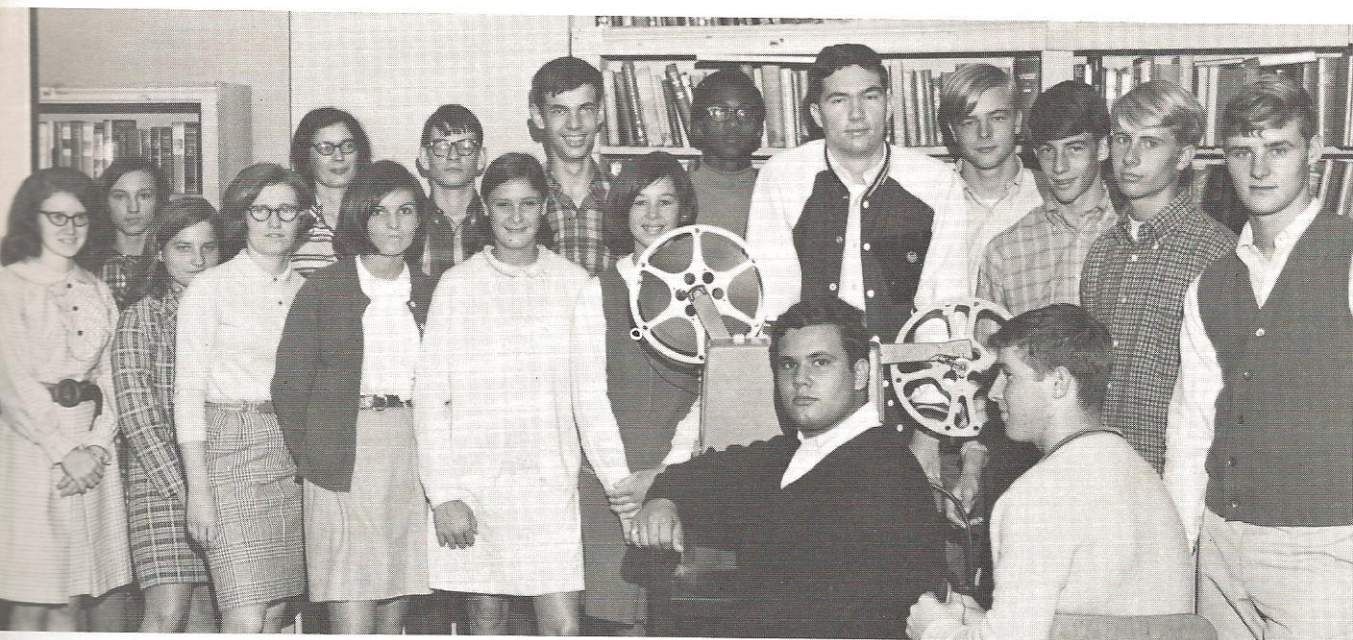

Future Farmers of America

The Future Farmers of America is a volunteer organization of boys studying vocational agriculture in Walterboro High School. It is designed to supplement the regular instruction by providing opportunities for training in leadership. Vocational education in agriculture is an integral part of our school program. The function of it is to educate students in the science of modern agriculture. The training is designed to qualify students in a specific area.

Future Farmers of America

Projection Club

Projection Club

The Projections Club is a newly organized club developed to aid its members in sharing responsibilities of equipment and materials. It offers an opportunity to its members to benefit from the teaching material they project and from various class discussions.

Members are selected on the basis of mechanical adaptability and interest.

Varsity Football 1968 - 1969

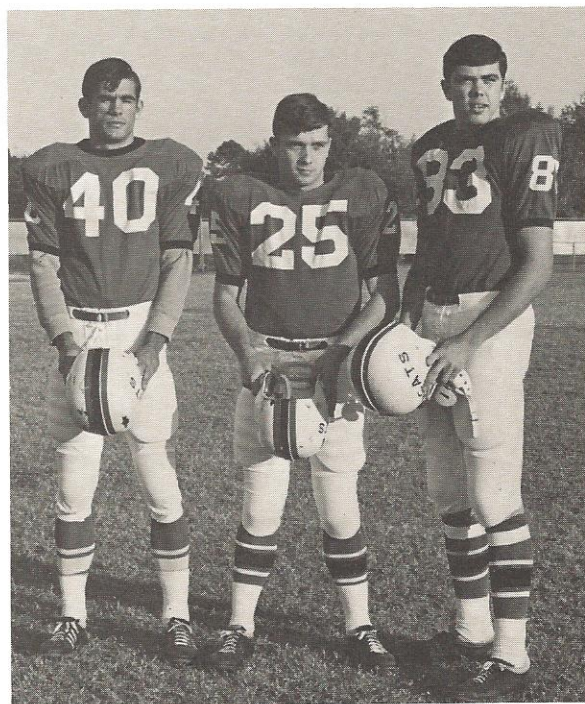

The 1969 Walterboro High Football Team

This was the year that was for the 1969 Wildcat football team. Old records were broken: David Williamson scored more points in one season than any other back in the history of Walterboro High; the 1969 squad set a new high in points scored against any opponent. But the most amazing occurrence was the resignation of head coach, "Bobby" Strock.

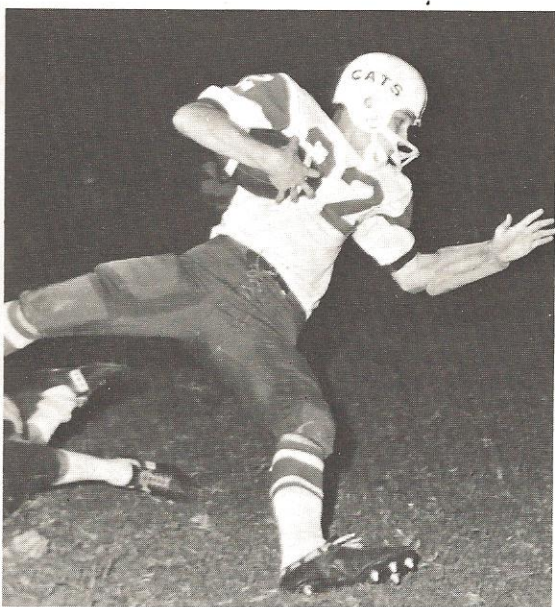

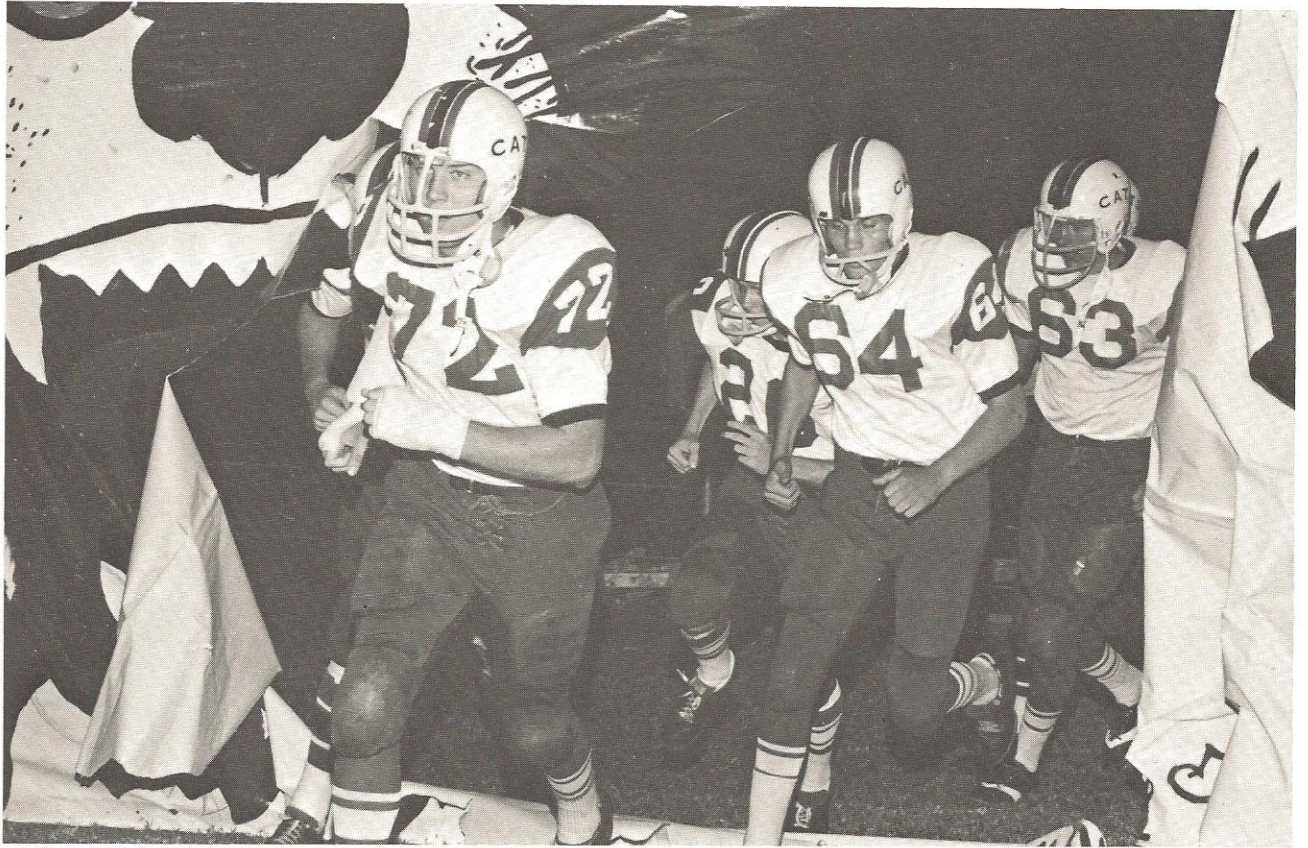

With the first kick-off, the '69 season promised to be a repeat of '68, but after three quick victories the Cat's success was halted. Walterboro's hopes for a championship team became an unobtainable dream. The most anxiety was felt over the close games forfeited to rivals such as Summerville and Bishop England. It seemed that the odds were against the Cats continually, but still they managed to uphold the winning tradition with a 5-4-1 season. That proved the adage, "You can't keep a good team down."

This year's team also experienced other firsts for a Walterboro squad. A week's vacation at Paris Island turned out not to be the fun and games some had anticipated. The Cats were also fortunate to make a trip to Florida to play Turkey Creek High School, which turned out to be a dream and a nightmare combined.

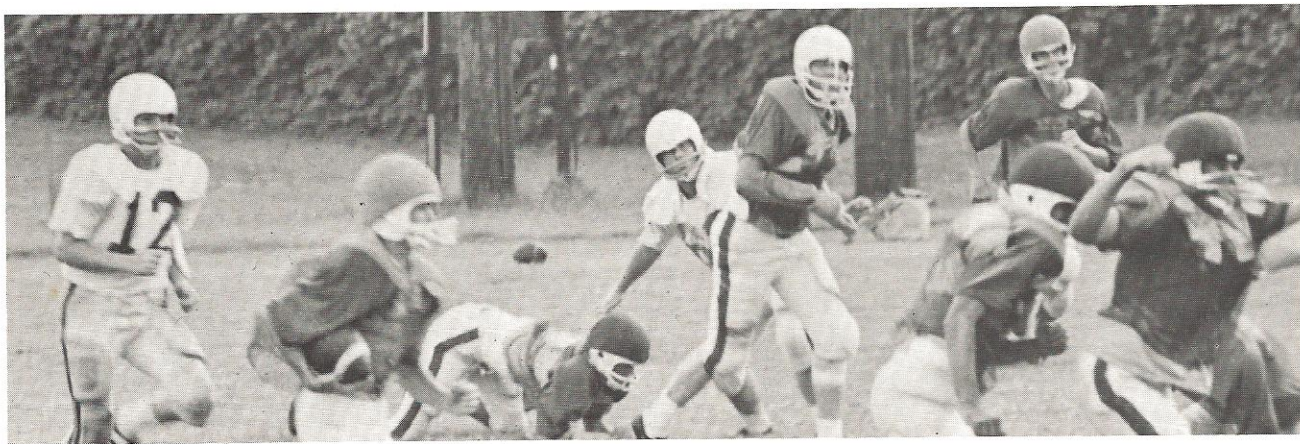

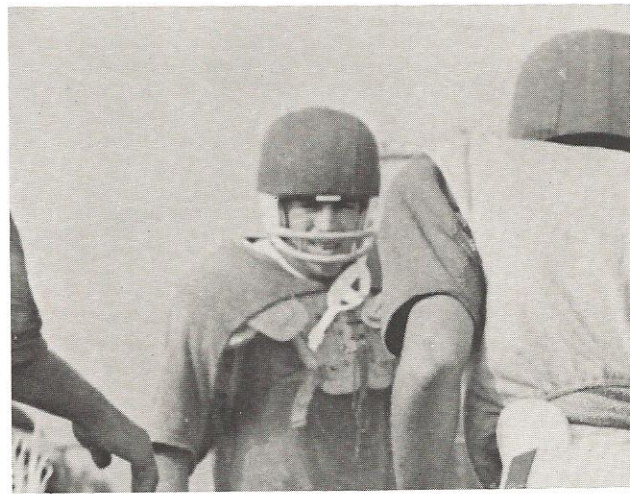

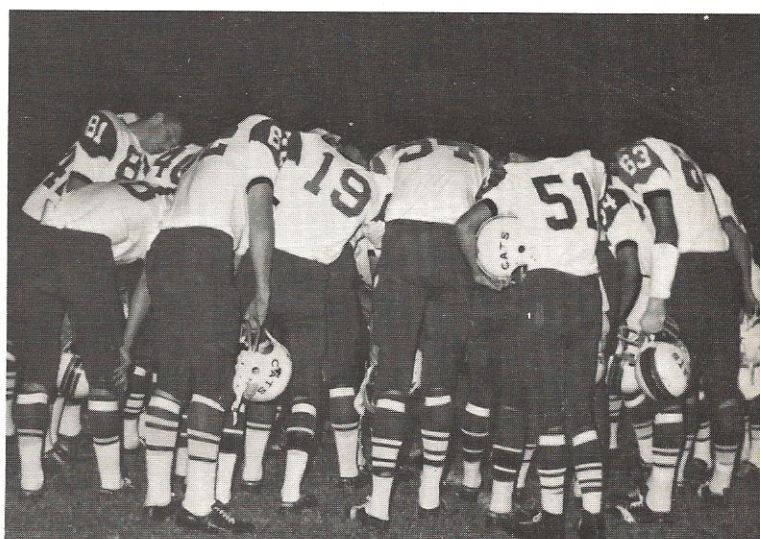

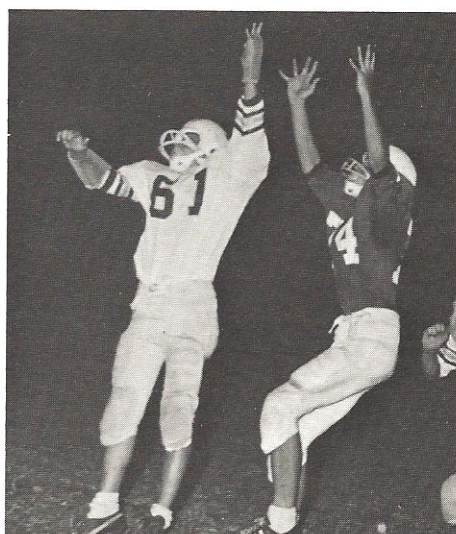

Tri-captains: David Williamson, Bill Robbins, and Richard Starks

Boys' Basketball

The Wildcat basketball team upheld their tradition by taking the court with an eager enthusiasm to hold high the illustrious name of the mighty Cats. Their successful season was the result of diligent practice and team co-operation. The team showed improvements over last year in both rebounding and shooting. The Cats hit the 100 mark for the first time in the new gym. They also gave the fans some exciting moments when they defeated such rivals as Summerville, Garrett, and Bishop England. Under the direction of Coach Humphreys, the Wildcats have proven that they will be a winning team for years to come.

Boy's Varsity Basketball Team 1968—1969

Girls' Basketball

Girl's Varsity Basketball Team 1968—1969

The Walterboro High School girls' basketball team proved to be the best team WHS has had in quite a while. The girls had to adjust to new rules, but with a good deal of effort and desire they came out with a fine record. The climax of their season was the winning of the Lower AAA Conference Championship. Two of the team members, Julie Segura and Barbie Wixson, were selected to play on the all conference team.

Girls' basketball is growing in popularity because of the team spirit and cooperation involved. Basketball is one game in which great skill is to be admired. That skill displayed by our girls has proved to be more than enough for a winning team.

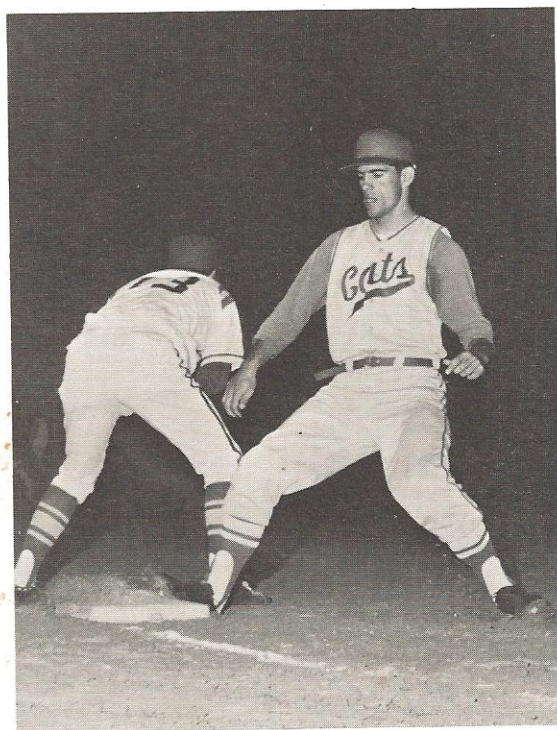

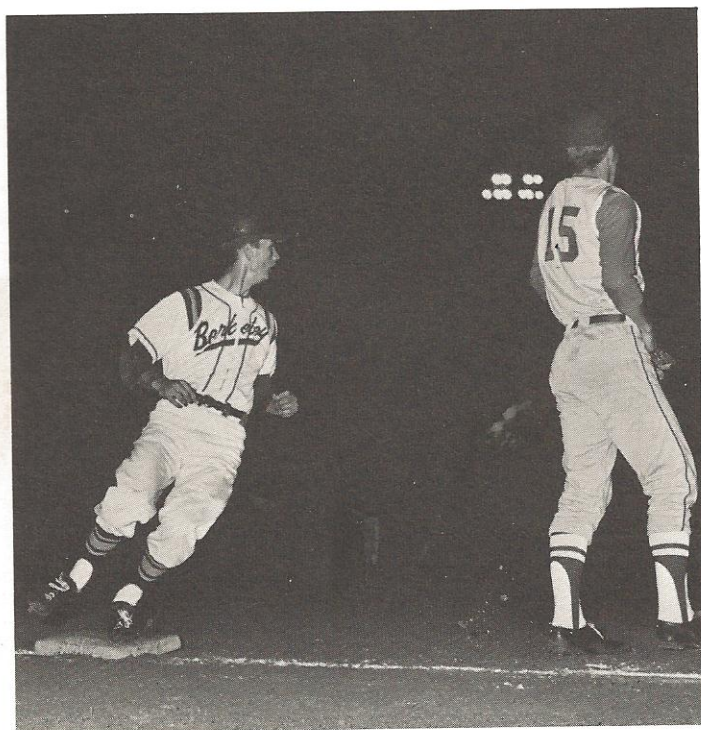

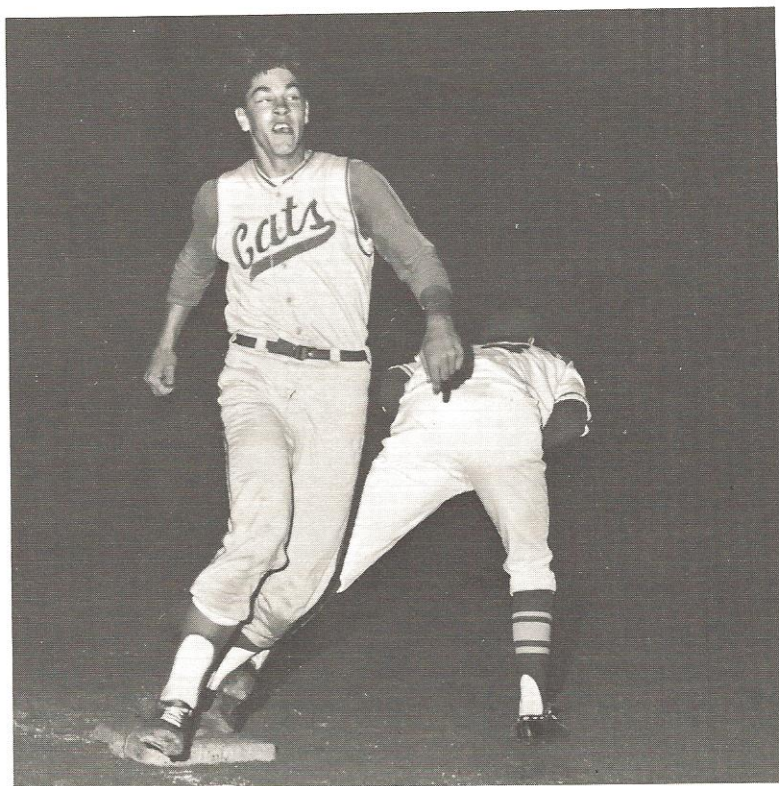

Girl's Starting Line-Up

Baseball

Even before the basketball season is over, Walterboro High starts its outdoor activities by opening the baseball season. The baseball team practices every afternoon, working long and hard in order to make every season a winning one. Night baseball action takes place twice each week, with each game excelling the other. Through team work and devotion, the Walterboro High baseball team makes itself an important part of the Athletic Association.

Boys' Track

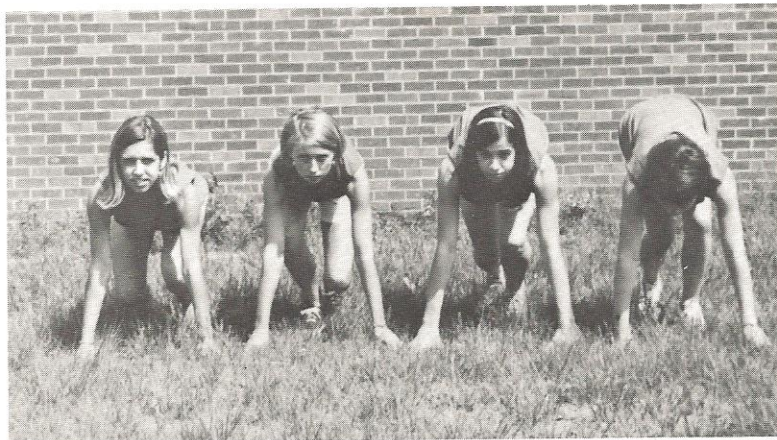

One of the most popular spring sports at Walterboro High is track. Much diligence is displayed for the competition is keen. There are so many situations that make each meet exciting. Track is picking up more and more supporters. Almost everyone in the Walterboro High community is beginning to understand the value of this sport. After seeing one meet, the spectator can hardly miss the others. Many records are set, and others are broken each season. Perhaps this makes track the action sport it is.

Girls' Track

Girls' track is the newest addition to Wal-terboro High. The girls came a long way from the beginning of the season to the end. They showed a lot of determination, even when the going got rough. The season ended with a great event — the sending of three girls to the Junior Olympics.

With growing enthusiasm for girls' track, the team is looking forward to an even bet-ter season next year.

Golf

Golf is one of the newer additions to the athletic department at WHS. Although the team practices all year, the matches are held in the spring. The team competes with other high schools throughout the lower South Carolina area. Mr. Jack Carter has been a great help to the team. Coach Strock is the sponsor for the WHS golf team.

Junior Varsity Football

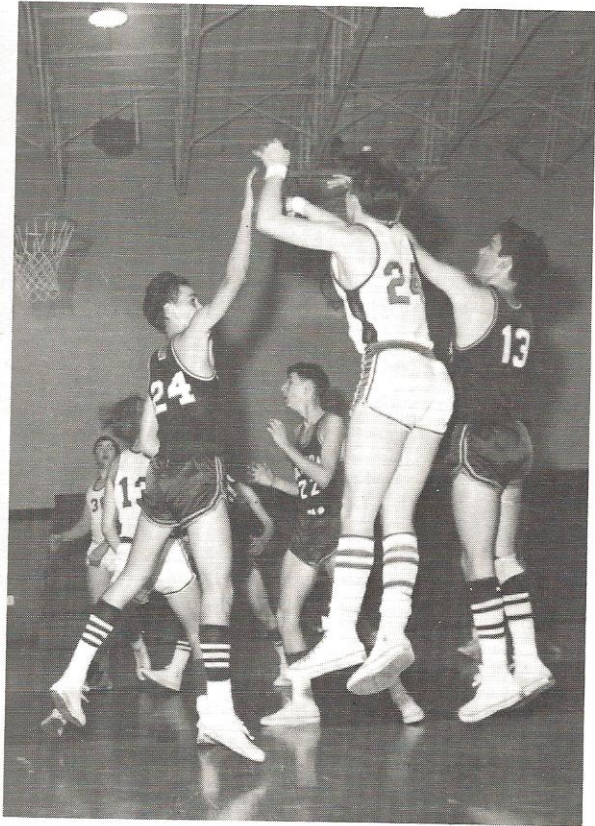

Junior Varsity Football

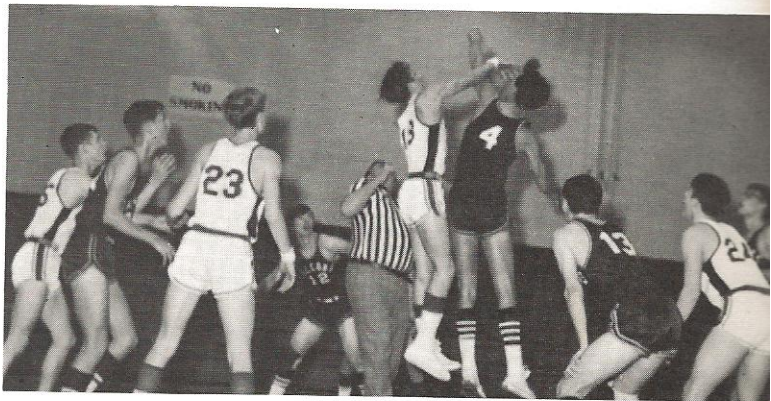

The Walterboro High School J. V. football team closed out the 1968 season with a winning record which is becoming typical of Wildcat teams. The J. V. football team is operated on the basis that young players will get experience in ball handling and football techniques before they are exposed to the Varsity level. It is the aim of the Athletic Department to have each individual as well prepared as he can possibly be, before the opening of football season.

Junior Varsity Basketball

Overcoming a bad start with few victories, the Walterboro High School J. V. basketball team acquired the experience and poise it needed to gather laurels. The young team staged a brilliant second half comeback to end the year with an overall winning record.

Junior Varsity Basketball

Junior Varsity Basketball

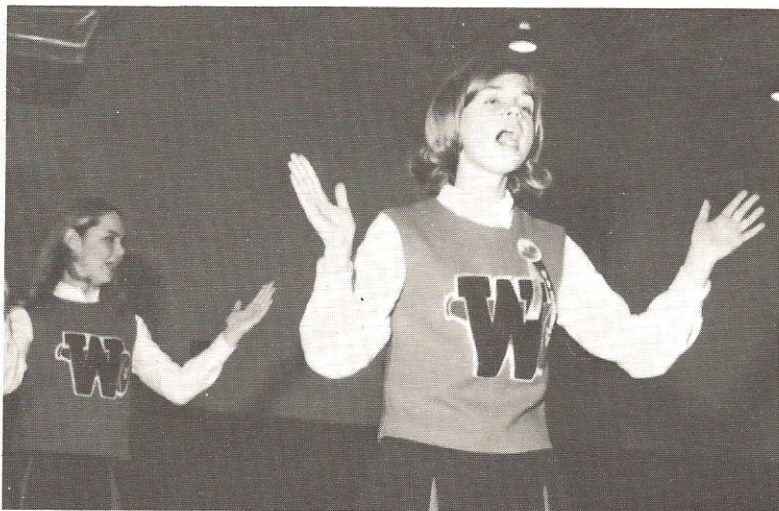

Junior Varsity Girl's Basketball

The J. V. girls had a very good season as they finished this year with a wonderful victory. Under the direction of Mrs. Mary Alice Covington, the J. V.'s had a 8-0 record. This is the first season in which they have gone undefeated in some time. The J. V.'s have kept the WHS tradition of winning in the right spirit and have proven that next year will be even better.

The "Flame of Spirit" for the year 1968—1969 dims and is recorded in the history of Walterboro High School. Even though this year in the life of our school is ending, there are many memories that will live on and help the life of Walterboro High to grow and expand even further. We have seen many advancements and improvements in our school, and we know bigger and better programs in academics, sports, and building are soon to come.

Even at its peak our "Flame of Spirit" was no more than the total of all the individual enthusiasm at WHS. The school community — students and faculty alike — made this year great because of their confidence and love they have for this school. Although we cannot take with us every memory — we all can take one spark of our "Flame of Spirit" — to spread and share with all those we meet. And in the future — it may be this "spark" which enables us to bring people together for another flame of love, courage, and honor.

Vicky,
So a very sweet and cute
gal. May you always remember
our good times in Mr. F's
room. May God bless and keep
you always. Best of luck
in everything you attempt.
Me. Thomas M. Jackson
Sue ya,
Patty (Henderson)
+ Johnny
Dorothy (Henderson)
Sue ya,
Be sweet and behave this
summer.
I love you,
a real good you, just in
God so see it and. All this
you and you in the fall!
Doree with you. All love
knowing you and having in
live making myself
Vicky,

Our Thanks

We, the Annual Staff of 1969, wish to express our gratitude and appreciation to the following:

The administration and faculty for their co-operation and consideration.

The student body for their many helpful suggestions, and co-operation.

Mrs. Gerry Skardon for her never-ending assistance and understanding.

Mr. Norman of Keys Printing Corporation for his invaluable assistance.

From the bottom of our hearts we thank you, for without your help we could never have published this edition of THE LAIR.
