

# Dedication

Mrs. Betty Jane Brown

For us, the Seniors, these four years have passed quickly, and we realize that after we are gone, a new class will step into our place and become your first concern. But, we like to think because of all we have shared with you, that we will always occupy one small corner of your heart.

You have given us so much; you laughed when we laughed, cried when we cried, worked when we worked, played when we played. You gave so freely of your advice and understanding, and you gave so unselfishly of your own time.

Because of all of this, and because we love you — the class of Super Seventy takes pride in dedicating this LAIR to you—

Mrs. Betty Jane Brown
