

Discovery

... is many things!
It's liking people
Who like you—
Discovery is having friends.

It's seeing someone you've
known for years
for the very first time.
Discovery is becoming aware.

It's finding harmony
in the discord
of a hundred people speaking.
Discovery is listening.

It's finding that knowledge
for it's own sake
is worthwhile.
Discovery is learning.

It's finding youth in the soul
of every man and woman
of every age.
Discovery is being alive.

It's learning that being yourself
is more important
than trying to be anyone else.
Discovery is being young.

Discovery is Being!!!
