

Student Council Prepares America's Future Citizens

The Student Council is an important part of our school organization. It contributes significantly to the attainment of the school's educational objectives. Its primary purpose is to provide experience in good citizenship and to offer a program that gives students an opportunity to participate in democratic living. The Student Council is designed to encourage student involvement in the affairs of the school. As it's projects, the Student Council sponsors the Queen of Hearts Contest, all elections, and various other contributions.
