

## “Sing, Sing, A Song . . .”

The W.H.S. Chorus is a very important part of our school life. As a course in the educational curriculum, it offers the opportunity to learn musical fundamentals and to apply these into the discipline of a well-rounded school life. Also it provides the chance to expand one's appreciation of music and related arts.

The enthusiastic spirit of the Glee Club is particularly shown in its two annual productions. The Christmas concert with its combination of religious and secular songs always enhances our local holiday mood and provides festive entertainment. Toward the end of the school year the entire community anxiously awaits the Spring concert. Its theme and content are always a pleasant surprise.

The members of the W.H.S. Chorus enjoy the hard work that goes into the daily sessions and especially their public performances. It is hoped that this choral participation may prove to be a distinctive contribution to the happiness, and mental and spiritual elevation of students who will go out to fill the needs of their communities.
