

The Marching Wildcats

This year the Walterboro High School Band had a total membership of 56 (40 playing members, 5 majorettes, 9 color guard) and was the only band in the state with twin drum majorettes. Even though 20 of the 40 playing members were from the Junior High School the band competed successfully with other high school bands at the marching band contests held in Orangeburg and Columbia.

In the Orangeburg contest the Marching "Wildcat" Band finished a strong fourth, coming only two points within placing third. In the State Marching Contest in Columbia the band received an excellent rating in marching and playing, an outstanding showing considering that the Walterboro Band did not begin work until the first week of school.

During the fall the band performed at 9 Walterboro football games, 4 pep rallies, and 4 Christmas parades. For the first time a "pep" band played at Walterboro basketball games.

In the spring many band students participated in the Edisto Clinic Band and the Coastal Carolina Clinic Band. Several students also participated in the All-State Band held annually at Furman University. Also in the spring the band presented its annual spring concert and performed at graduation exercises.

All State Band Members: Priscilla Morley, Rhonda Warfield, Charles Polk, Glenn Timmerman.

Mr. Richard Johns, Director
