

A Clean Body, Spirit, and Mind

The call to competition had sounded once again in our school as the coaches issued the challenge to get into action. There has been issued another call to competition — the call to compete in the "great race of faith."

It is the desire of the Fellowship of Christian Athletes to display the important role Christ plays in athletics. We are the disciples and have chosen to run the great race for faith. The F.C.A. members are representatives for Christ on and off the field of competition.

"Run the great race of faith and take hold of eternal life. For to this you were called." — I Timothy 6:12 (New English Bible).
