

# Working Towards Tomorrow's Business World

Membership in the Future Business Leaders of America indicates an interest not only in preparing for employment in the field of business, but also in experiences that strengthen and develop the individual. Belonging to FBLA is an honor that carries responsibilities as well as privileges.

The FBLA of Walterboro High School, sponsored by Mrs. Smith, undertook two main projects this year. They made money by selling Tom-wat kits, to give a scholarship to a student who plans to continue his or her education in business. They are also had service projects, including preparing and carrying food baskets to needy families at Thanksgiving and Christmas.
