

# Reading Is Knowledge

The main objectives of the Library Club are to acquaint students with library services, resources, and procedures; to create wider interest in good books and reading; and to provide an opportunity for the development of leadership.

Library Club members assist with circulation, writing overdue notices, and publicity.

The Library Club annual projects consisted of giving a food basket to a needy family, improving the library, and going on a trip to Charleston or Columbia.

"Libraries are the wardrobes of literature, whence men, properly informed, may bring forth something for ornament, much for curiosity, and more for use."

Mrs. Muckenfuss will help you find your book, too.
