

Pep Club Arouses School Spirit

Striving to inject pep and spirit into the student body of W.H.S. and to inspire the Wildcats themselves is the aim of the Pep Club and cheerleaders. Pep Club members worked long and hard hours painting the clever signs and planning the inspiring pep rallies which led to the victories of the team. Nor even anticipation of the Summerville game could crush their spirit as their original signs showed fans the way to the mighty Wildcats' performance.

Everybody for Walterboro — Stand up and Holler!!
