

## *Informative Yet*

The Bulldog, our school newspaper, is published monthly by the Journalism class. It is one of the sources through which the student body can express their ideas by writing to the editor or by writing editorials.

Our newspaper is affiliated with Quill and Scroll and with the South Carolina Scholastic Press Association.

Journalism refers both to practices and procedures in preparing journals; therefore, the Bulldog Staff members are constantly reminded of this fact: "True ease in writing comes from art, not chance."

Celeste Coker, Editor
