

A Hobby, A Talent, A Skill

The W.H.S. Chorus does much to add spirit to school life. The members of the Chorus sing songs ranging from classical Beethoven to modern Simon and Garfunkel. All the members learn the basic fundamentals of music which prove to be very useful.

This year the Glee Club participated in the tree-lighting ceremony at City Hall in November and gave its annual Christmas program.

The highlight of the year for the chorus is its spring concert. This production involves much hard work and many nights of practice. The performance given is always delightful.

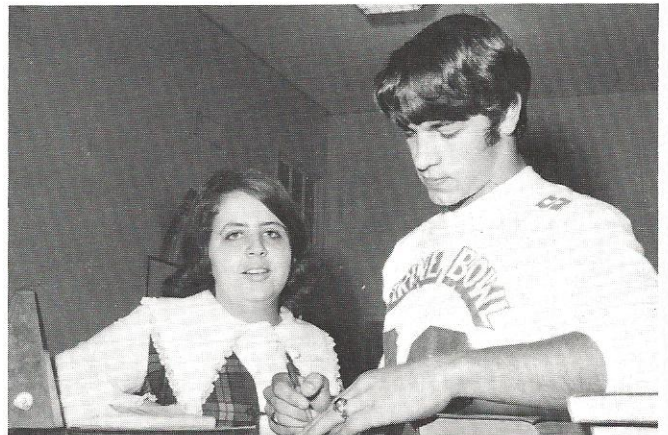

The joy and spirit the W.H.S. Chorus brings to every school day is a unique contribution to Walterboro High School.

Mrs. Dorothy Mae Buckner, Director

Gail Tumbleston, Accompanist
