

# *The Educators of Tomorrow*

The Future Teachers of America is an organization for those students who are interested in the teaching profession. The members get to work as teacher's aides and the senior members are allowed to teach and visit at other schools. The club also has a Teacher Appreciation Day. The students assist the teachers and give them a tea at the end of the school day.

The F. T. A. holds an annual talent show in the spring as its main project. The money from this goes toward a scholarship the club presents each year.
