

Boys' Basketball

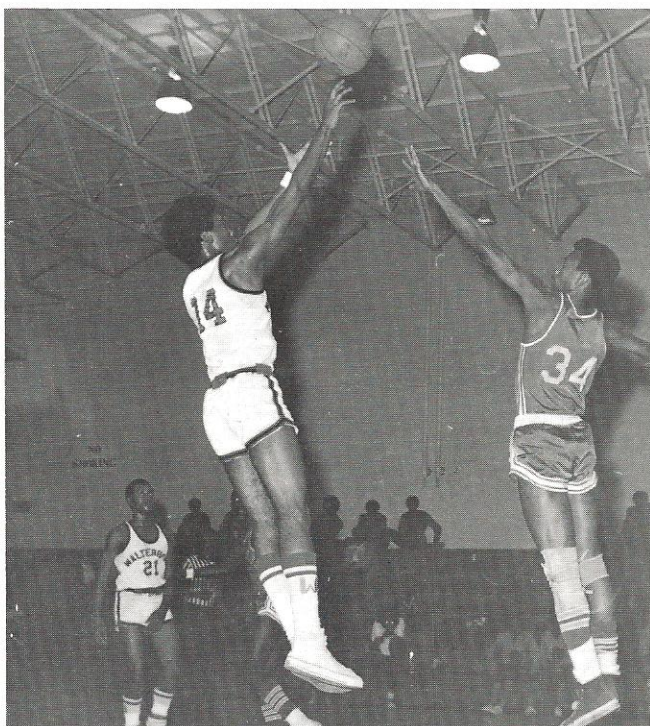

The Bulldogs began practice under the guidance and direction of coach Weldon Humphrey and assistant coach Franklin Smalls. The season as a whole did not come out as well as some thought it would, ending with a 4-14 record. There were many high-points of excitement throughout the season, including many games that ended with only a one point difference. Great individual efforts by seniors; Edward Peters, Ralph Moultrie, and Jimmy Stewart ignited the enthusiasm of the spectators. These efforts paid off in that Edward Peters was chosen to represent our school on the All-Conference team.
