

Education in the Science of Modern Agriculture

The purpose of Future Farmers of America is not only to prepare young men for agricultural vocations, but also to instill in them an appreciation for rural living. Included in this Year's activities are forest management, soil judging, and making parking signs for the campus. The club has 61 members and is under the guidance of Mr. Dennis Haltiwanger.

Officers: President: Clyde Richardson, Vice-President: Gerald Frasier, Secretary: John Shark, Treasurer: Allen Brown.
