

Bulldogs Knew the Joy of Winning - the Agony of Defeat

The Walterboro High Bulldogs started the season with a young and inexperienced team. Although they lost many close games in the beginning, they refused to give up and continued to improve throughout the season.

The Bulldogs tied a tough Berkeley team in the next to last game and won their last game 14-0 over Goose Creek. They finished with a 2-7-1 record for the season.

The improvement shown over the season and a victory in their last game paves the way for next season as 25 lettermen will be returning.
