

Student Council Represents You -

The Student Council is an organization of students, elected by students, to serve as their official representatives in all matters of concern to the school. All of the power and authority of the council is delegated by the principal.

A successful Student Council is an active one. The basic objective is to promote the general welfare of our school. It also strives to develop democratic leadership qualities and fine character traits.

In the early part of November 1972 the Student Council held a workshop to examine its operations and to inform representatives and alternates of their responsibilities.

The W.H.S. Student Council is an active organization. It works continuously to improve the school by encouraging student involvement instead of student apathy.
