

# The Annual Staff

Everybody enjoys seeing his picture in the annual when it comes out in May, but does anyone ever consider the minds that have cracked under the strain of an unmet deadline? The tears shed over a missing or a ruined picture? The obscene phrase said under the breath at mistakes? The obscene phrases not said under the breath? For all of these are part of the Walterboro High Paw Print.

Work on the yearbook begins in the summer with a workshop at Furman University and continues until the final reading of the proofs in late March and early April. In fact, the pressure never lifts until May when the book comes out.

An annual publicizes a school, and the Paw Print has attempted to do just that. It has tried to present you with some reflections of 1972-73 at Walterboro High School.
