

Boys Invade Future Teachers

Both boys and girls are united together this year in the Future Teachers of America at W.H.S. They hope to learn the advantages and disadvantages of the teaching profession.

Members of the FTA work together to sponsor the annual Teacher Appreciation Day and later the talent show which is enjoyed by many. Proceeds from the talent show go toward a scholarship for a worthy senior. Senior members really get a taste of teaching when they visit other schools to observe teaching techniques.
