“Reflections of the Times”

Volume III

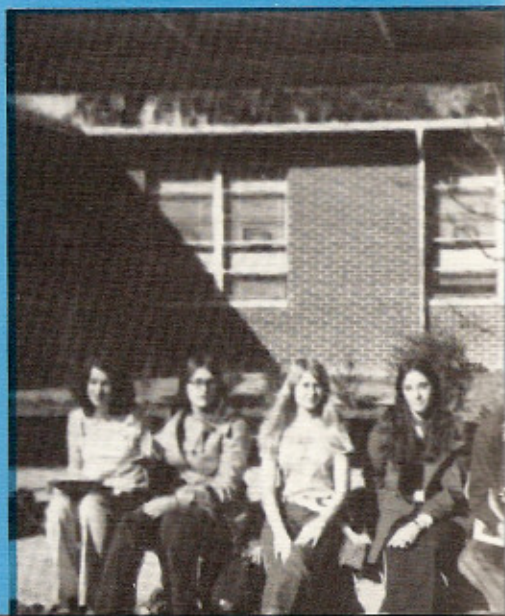

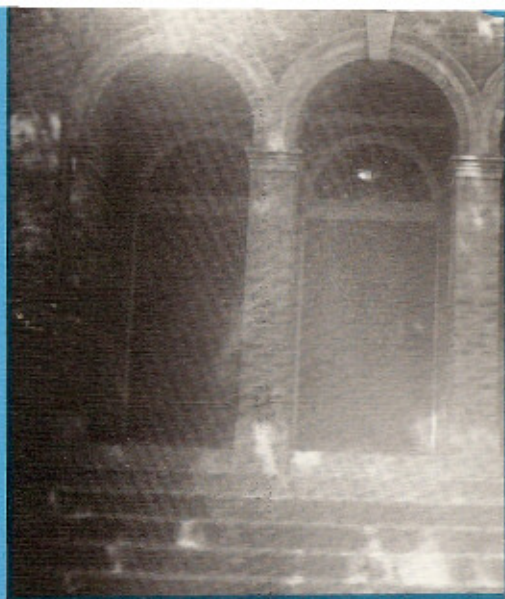

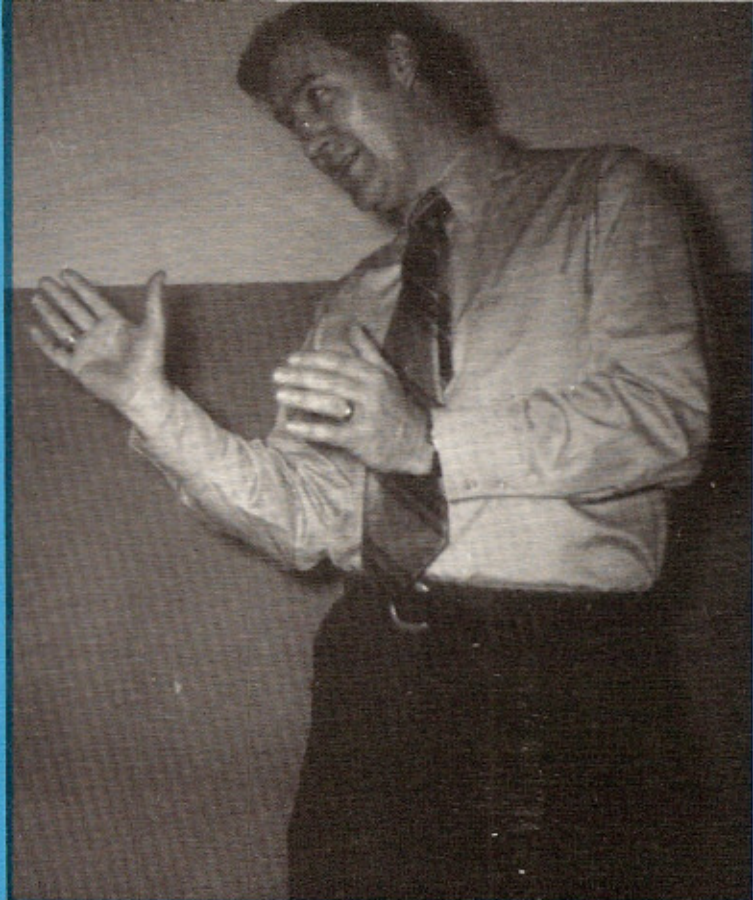

Reflections of Summer Become Realities of Fall

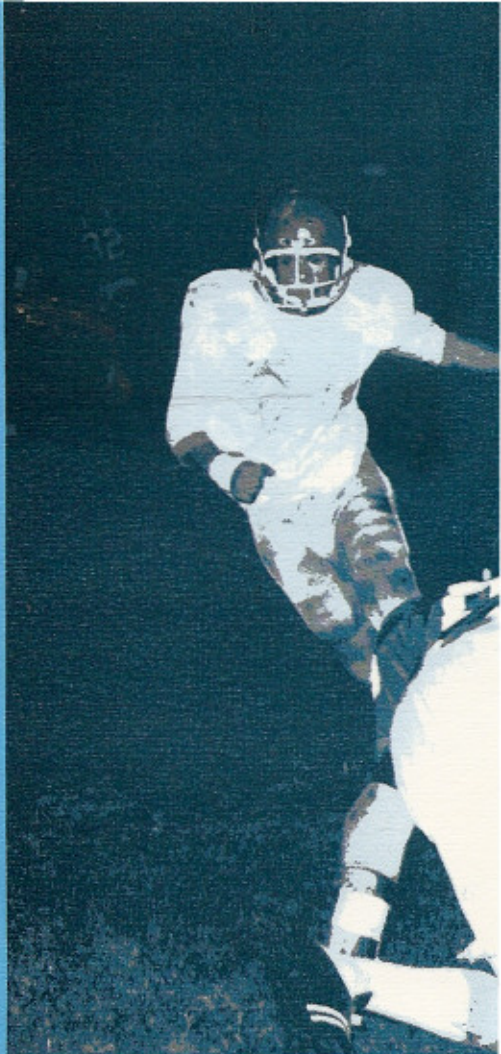

A new year at W.H.S. . . .
Summer's freedom changed
Into books, bells, schedules
And pinching new shoes.
A year of unknown uniqueness . . .
You . . . a part of the overall picture —
Never content . . .
Restless youths . . .
Don't make laws . . .
But if you must, fit them to me and my generation.
A face in the crowd —
A member of a class —
An individual
Involved in the simple beauty of life.

Seeing our reflection in a mirror —
Knowing it comes and goes
As we come and go.
Enjoying the fruits of victory —
Accepting the pang of defeat.
Exploring, searching, finding, . . .
Creating a haze of dreams —
Retaining a store of memories.
Making our mark on time.
Noticing our shadow
As the sun shines bright
And losing it as the sun disappears.
But knowing time will bring it back
Along with memories.

Time — the elusive, but decisive element
Ruling our lives from September to June.
Dragging or passing quickly
Hour after hour
Into days, weeks, and months.
The fleeting moments of joy and compassion . . .
The tender dreams of tomorrow's impulses . . .
Flurry of caps and gowns . . .
Flutter of emotions in Senior's minds.
School year almost over —
Daydreaming in hot classes . . .
Eyes glazed with anticipation . . .
Some older; some wiser.
What has been is our yesterday;
Today is yet ours;
Tomorrow awaits to be born.
Let us resolve to serve, to live!

Hard Earned Victory

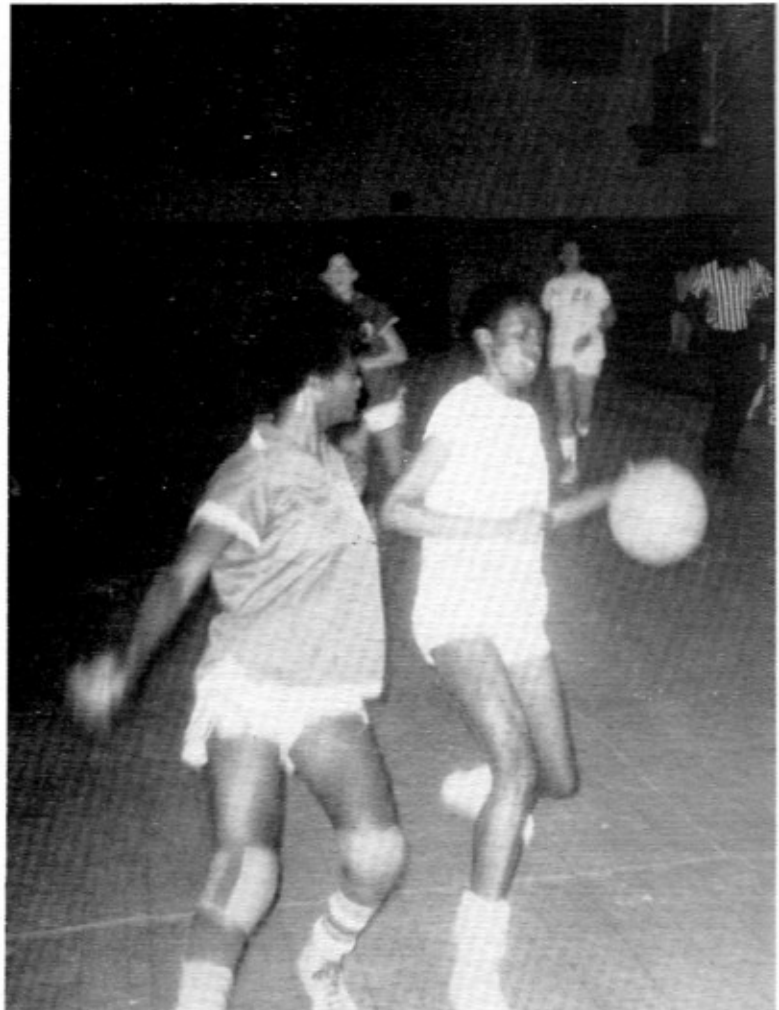

Ends Basketball Season

The 1972-73 basketball season started with much enthusiasm but no victories. As the season continued, the spirit decreased and many players left the team. Because of their apathy, the team suffered many defeats, but the loyal players that remained had a strong determination. The season ended with a glorious victory.

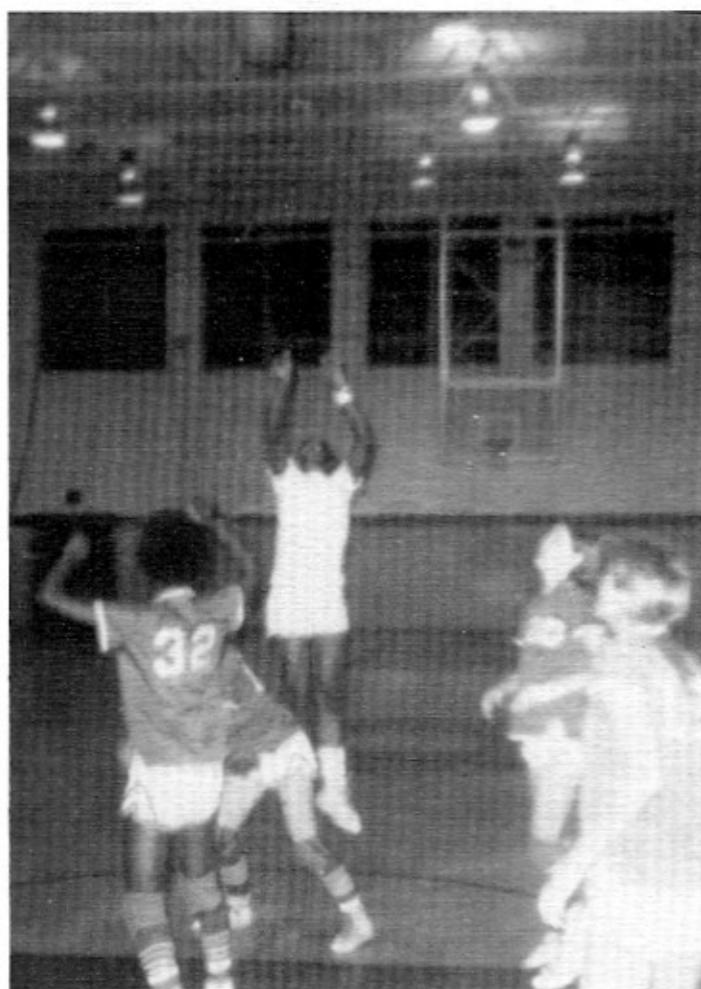

Girls Basketball Team

The girls basketball team displayed cooperation and a desire to win the entire season; nevertheless, the team was only fortunate to win three games. The girls played against some tough teams, and the scores did not reveal the whole story of the game. No matter what the outcome of the game — win or lose — our girls' basketball team kept their Bulldog spirit.

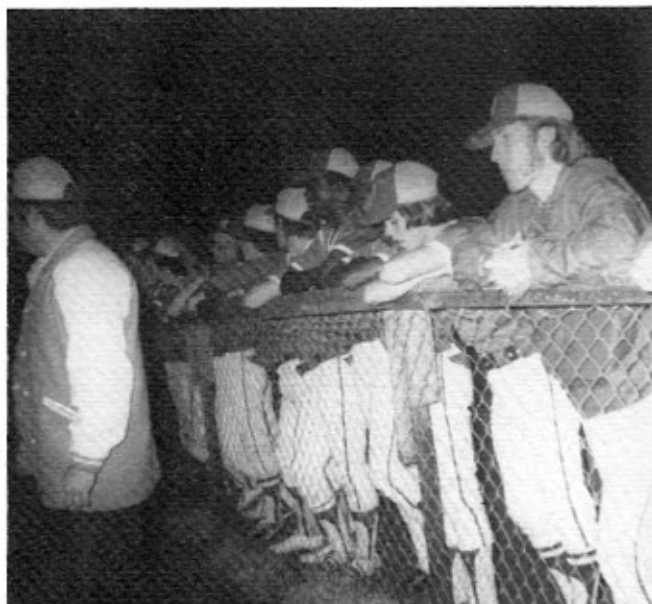

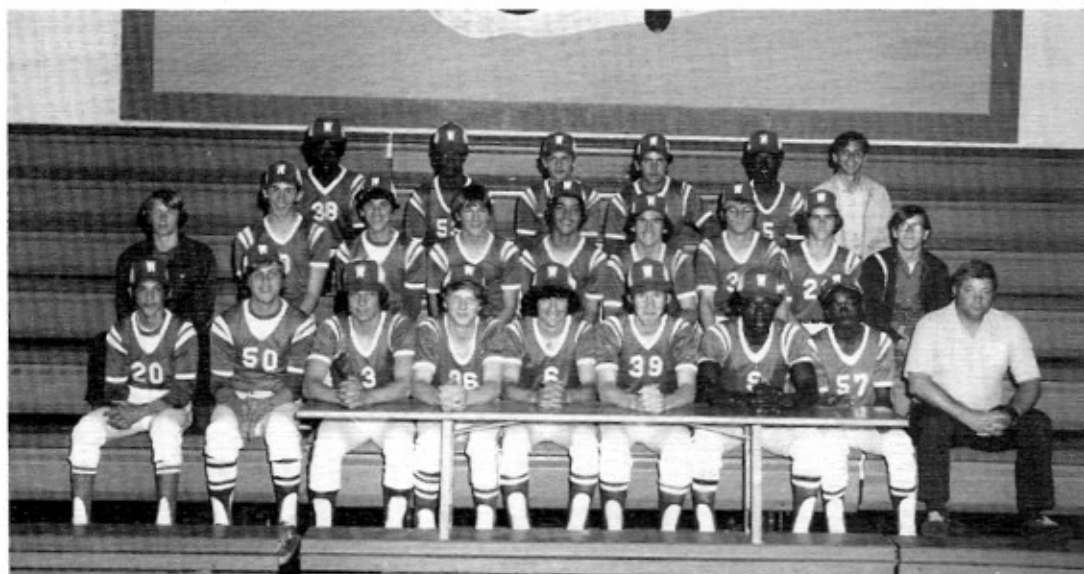

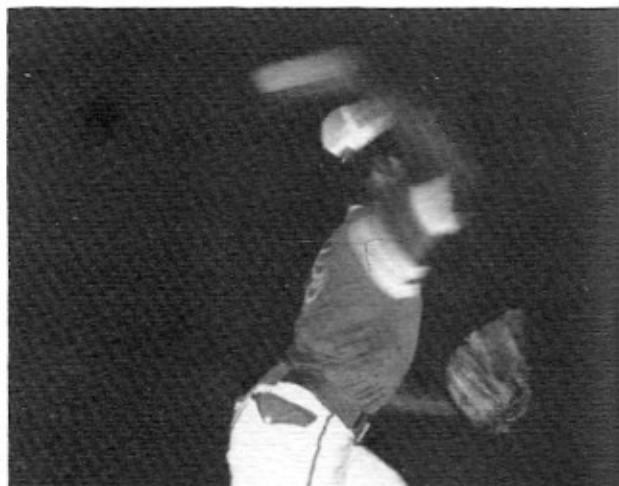

Displays Spirit and Togetherness

Batter Up, Bulldogs!

This year's baseball season got off to a good start with a large number of boys trying out for the team. Several old players returned to the team, but many new faces were seen on the field. These new faces seemed to be just what the team needed for a successful season.

Each member of the team always did his best — whether at practice or in the game. The hard work made this season one to remember.

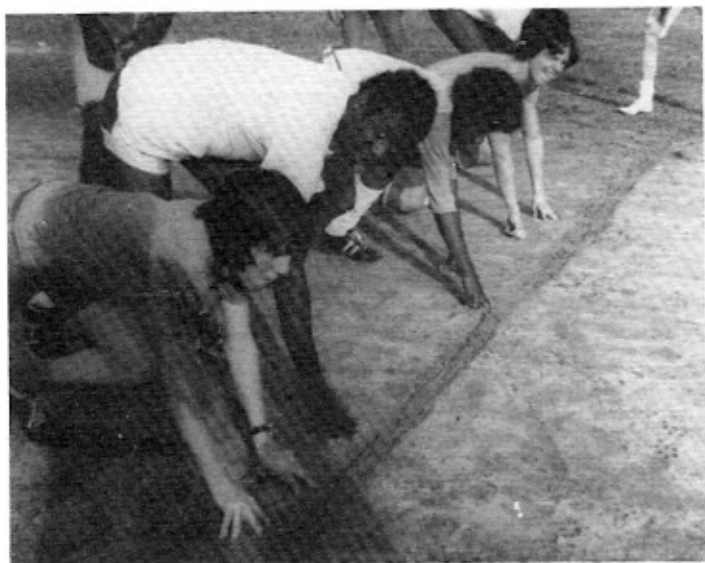

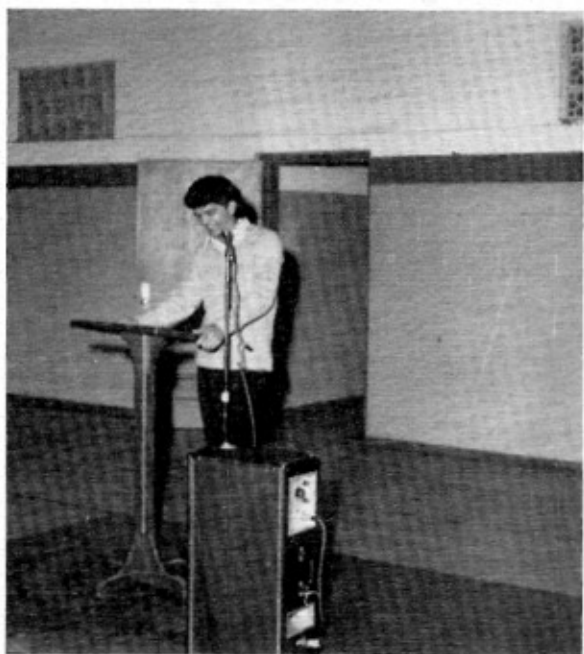

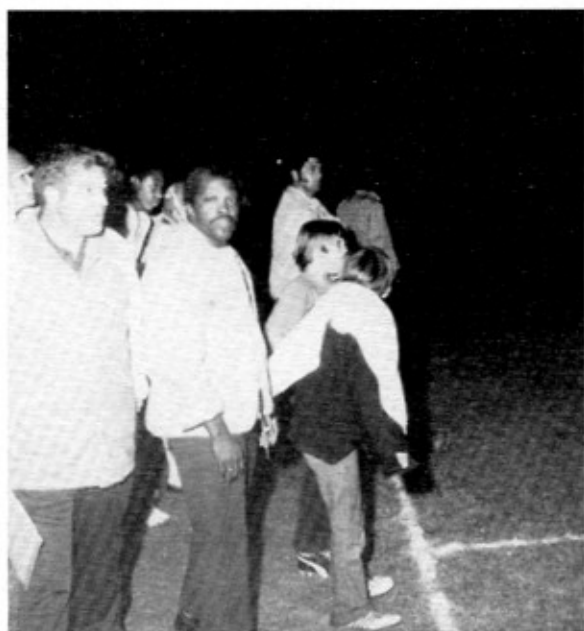

Speed-The Key Factor for Track

The track team displayed a tremendous amount of physical ability this year. The scores of meets exemplified this. Every member of the team spent much of his time in order to form a winning team. Time, practice, determination, and cooperation have been the main factors in achieving this goal.

Each year this sport gains more fans and plays an important role in the school's athletic program.

WHERE THE GOOD TIMES ARE

Student Council Represents You -

The Student Council is an organization of students, elected by students, to serve as their official representatives in all matters of concern to the school. All of the power and authority of the council is delegated by the principal.

A successful Student Council is an active one. The basic objective is to promote the general welfare of our school. It also strives to develop democratic leadership qualities and fine character traits.

In the early part of November 1972 the Student Council held a workshop to examine its operations and to inform representatives and alternates of their responsibilities.

The W.H.S. Student Council is an active organization. It works continuously to improve the school by encouraging student involvement instead of student apathy.

Members: Herbert Simmons, President; Billy Stanfield, Vice-President; Charla McLaughlin, Secretary; Susie Coggins, Treasurer; Mrs. Margaret Lytchfield, Advisor; Rose Marie Bolds, Chester Brown, Mary Donaldson, Minnie Frazier, Solomon Green, Ray Johnson, Angelette Mitchell, Karen Roberts, Kenneth Simmons, Kitsy Stratton, Brenda Williams, Oliver Barnes, Cynthia Bodison, Olympia Cockrum, Pat Dawson, Judy Foley, Beth Freeman, Brock Heron, Judy Holliday, Holly McCord, Cecilia Mitchell, Carolyn Pinckney, Elaine Proctor, Genny Skardon, Geraldine Walker, and Karen V. Williams.

The Annual Staff

Everybody enjoys seeing his picture in the annual when it comes out in May, but does anyone ever consider the minds that have cracked under the strain of an unmet deadline? The tears shed over a missing or a ruined picture? The obscene phrase said under the breath at mistakes? The obscene phrases not said under the breath? For all of these are part of the Walterboro High Paw Print.

Work on the yearbook begins in the summer with a workshop at Furman University and continues until the final reading of the proofs in late March and early April. In fact, the pressure never lifts until May when the book comes out.

An annual publicizes a school, and the Paw Print has attempted to do just that. It has tried to present you with some reflections of 1972-73 at Walterboro High School.

Members: Rudy Williams, Cassandra Hicks, Cindy Westbury, Editor; Dianne Leonard, Business Manager; Anna Jez Stevens, Typist; Mrs. Godwin, Advisor; Cathy Bodison, Nathaniel Gant, Nina Ackerman, Zenobia Stallings, Linda Gaskin Gale Peters, Kenneth Simmons, Assistant Photographer; Jerry Gardner, Ellen Smith, Mrs. Bodison, Advisor; Pat Dawso Susie Coggins, and Cal Trussell, Photographer.

The Bulldog Staff

Mrs. Manigo's second period Journalism class, the Bulldog Staff, tries to inform the student body of all the latest news in and around the school in every edition of the school newspaper. The staff also tries to bring humor and entertainment to the paper. This is accomplished through editorials, special articles, and other items of amusement.

The Bulldog Staff puts much hard work into every edition of **The Bulldog**. Articles must be written and typed, the pictures must be drawn, and the copy must be laid out and sent to the press for publication. The student body is asked to express themselves through the suggestion box.

Walterboro High School Chorus

Singing Adds Enjoyment to Life

The purpose of Chorus is to add a unique type of spirit to school life.

The chorus members at Walterboro and Colleton join together to present two concerts a year. The one at Christmas is a gift to our school and community. The other is the fund-raising spring concert. There is much time and hard work put into this program, but the pride of doing a good job is worth the effort.

The spirit and excitement which the Walterboro High School Chorus brings to our school is quite an asset in our day to day work.

Busy Year for W.H.S. Band

For the Walterboro High School Band, the year 1972-73 could best be described as a year of travel. This organization traveled over 1500 miles to football games, band contests, and parades throughout the state.

The high point for the marching band came on the weekend of October 6th and 7th when the band members boarded a Greyhound bus which would take them to a football game in Greenville on Friday night, an overnight stay in Greenwood, and on to Abbeville to participate for the first time in the Southeastern Marching Band Contest. The band received many fine comments on this trip and was judged "Second Place in Class" at the contest. They were in competition with twenty other bands at this event and placed third in the overall competition. This is a trip that the students will not soon forget. The band also participated in the Southern States Band Festival in Camden, where they received a trophy and a rating of "Excellent."

In the spring, eight members of the band were selected to the Eastern Region Band while one member was chosen to participate in the All-State Band. The Concert Band presented two formal concerts, the Pops Concert in March and the Spring Concert in May.

“Parlez-vous francais?” “Oui, Monsieur!”

“¿Habla usted espanol?” “Si, Senor!”

The thrill of learning a language is surpassed only by the thrill of communicating with others in that language.

The purpose of the Foreign Language Club is to make foreign languages more interesting to the students. Our motives are to encourage interest in the languages and to learn more about the civilization and culture of the country whose language we are learning to speak.

The Club is comprised of both students who are interested in French and Spanish. Our activities are centered around important events relating to the countries. Games and skits are also used to add to the students' enjoyment of the club.

- 1/Does anybody know what time it is?
2/Are we on "Candid Camera"?
3/English students take time out for rest and relaxation.
4/It must have been good! He ate the whole thing.
5/Give us time; we'll make it.

2/I bet you thought I was asleep, didn't you?

THE SEARCH FOR
TOMORROW

Does Anybody Really Know

What Time It Is?

We can never go back in time . . . but we can always reflect back to our memories, both good and bad, of our years of growing up at W.H.S. Where do we go from here? Yesterday's tomorrow is today, but tomorrow never comes. The end? No, we've only just begun to live.

We, the Paw Print staff of 1973, in concluding say that "This is the Reflections of the Times." Yes, these are the Times . . . make them what you will . . . but keep them moving.

Our many thanks go to the students, faculty, staff, advisors, and local photographers for making the Paw Print possible.
