

A powerful ground attack was to propel the Dogs on to victory. Senior Charles Burgess romped 231 yards in just 8 carries. Following pulling guards Tony and Nickie Smith around the ends, the lanky speedster tallied 3 times on runs covering 73, 1 and 76 yards. Senior Oliver Barnes scored twice, each from 4 yards out. The sturdy running back ran the ball inside against Ruffin

behind the blocks of senior Randy Garrett and sophomore Ted Stanfield. Senior Payton Crosby caught his thirtieth pass and turned it into a touchdown on a 50-yard pass play from sophomore quarterback Nick Pinckney. Pinckney was later to score himself on a 30-yard keeper.

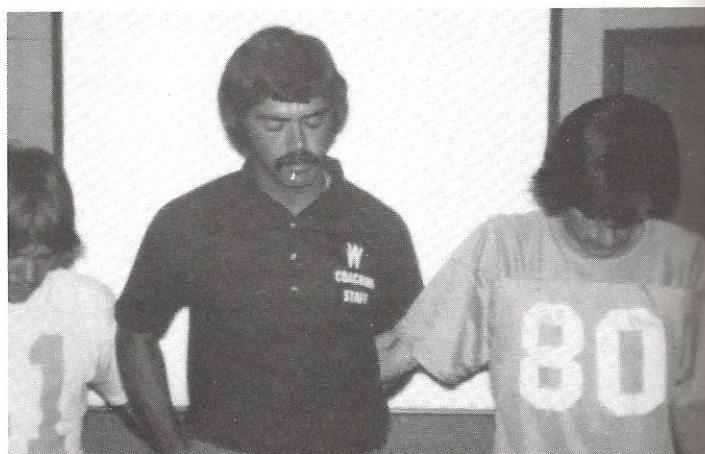

Coach Haynesworth looks with concern as trainer Mark Herrin and manager Issac Ellison carry off injured Casey Price. Dr. Herrin, team doctor, walks ahead.

Several records were broken this year by Bulldogs. Senior halfback Charles Burgess completed the season with 677 yards in 70 carries. In the Ruffin game he approached the 255 yards in single game record set four years ago by Jimmy Williamson by tallying 231 yards in 8 carries. Senior Payton Crosby finished the season with 30 receptions for 509 yards.

Although the dogs lost several key games this year, the experience gained by the 29 sophomores and juniors should contribute to a strong, winning team next year.
