

Girl Cagers Play Hard Throughout Season

The opening game of the year saw the girls blast cross-country rival Ruffin. After that, Coaches Belton and Simmons saw the team face both victory and defeat in many hard fought contests. At the end of the first half of the season, the Dogs stood at 4-6. Following the Christmas break, the girls experienced a 9 game drought in which things just wouldn't fall. Utilizing the fast break ability of Darlene Brown and the outside jump shots of Carrie Lou Glover, plus the backcourt rebounding ability of Cathy Bodison, Queen Risher, and Dianne Edwards; the dogs finally broke the string, finishing the year with a 7-13 mark. Supplying good bench strength were Rose Moultrie, Sandy Smoak, Anita Thompson, and Jeannette Lawton.
