

# Spring Sports Prove Successful

Bulldog Varsity Track saw several school records broken as the young and powerful Bulldogs took third place in a field of ten at last year's conference meet. Outstanding performer, Charles Burgess, set three records as he helped pace the 'dogs. The records are: 100 yard dash (10.0 seconds), 220 yard dash (21.56 seconds) and broad jump (21' 6 $\frac{3}{4}$ "').

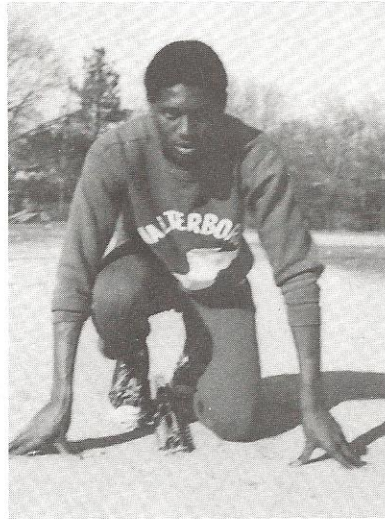

Distance man, Mike Ford, a strong performer in the one-mile run, set a school record for the two-mile (11 minutes, 13 seconds). Sprinter and pole-vaulter Joe Barry had a very successful year as did hurdlers Payton Crosby, Isaac Ellison, and David Washington. The middle-distance and long-distance events were strengthened by Oliver Barnes and Art Williams. Field men David Soard, Billy Spahr, and Shane Furlong supplied good competition in a conference where strong field events are a trademark. This year's team will be changed little. Graduation virtually had no effect on the 'dogs.
